## Memorandum

**TO:** Board of Trustees  
**FROM:** Tom Crowe, Superintendent of Schools  
**SUBJECT:** DISCUSSION OF REZONING OF ELEMENTARY SCHOOLS  
**DATE:** March 6, 2018

---

It is no surprise to anyone that many of our schools are overcrowded. At the elementary level the far north schools (Jordan and Buice) are not only over crowded but are in high rapid growth areas.

We are also considering the possibility of changing the configuration of some of our elementary schools to a K-2/3-5 arrangement or a PK-2/3-5 arrangement.

Population and Survey Analysts (PASA) developed a couple of scenarios for us to consider. The first map shows our current configuration.
