It is recommended that the UISD Board of Trustees approve the revisions to FNCA (LOCAL) in regard to Standardized Dress Code Guidelines for the 2026-2027 Academic School Year. The Standardized Dress Code was recently reviewed by department directors and coordinators, and their recommendations have been submitted. Any changes deemed necessary by legal counsel will be included in the final printed versions, even if not reflected in the current drafts. Additional changes received before printing will also be incorporated. After printing, any further updates will be made to the online versions of these handbooks.

On March 31, 2026, all recommended changes to the Standardized Dress Code Guidelines were presented to the Student Code of Conduct District Wide Revision Committee composed of administrators, parents, community members, and students, as well as the District Educational Improvement Council on April 22, 2026.
