## September 2023 - Activities Director Board Report

### Tomahawk High School:

Fall sports are currently in full swing with all of our sports finishing up their non conference portion of their schedules, and getting into their Great Northern Conference portion of their schedules. Football is off to a 2-1 start with a close loss to Rhinelander, and wins over Lakeland and Kingdom Prep Lutheran as they enter the heart of their Northwoods Football Conference Schedule. Girls' Swim started their GNC portion of the schedule off with a home dual win over Mosinee. Cross Country continues to log mileage as they will begin their tapered portion of training to make a run at a conference championship and state appearance. Lastly, volleyball has been working through some new starters, but opened GNC play with a thrilling 3-1 win over Antigo.

Clubs are beginning their fall sign up and recruitment of new students and former participants for the upcoming year. Student Council has been the busiest so far with working concessions at the home football games and preparing for homecoming activities. Homecoming for THS will be the week of September 25 - 30, 2023. The theme is Music Genres, with the big class events being Girls' Flag Football on Monday at 6:00 PM, Boys' Volleyball on Wednesday at 6:00 PM, then school spirit day on Friday with the Homecoming Parade starting at Tyler Kahle Memorial Field at 1:45 PM, proceeding up Lincoln Ave to King Rd towards the school complex, into the pep rally and Football game Friday night v. Coleman. Saturday night at 8:00 PM will be the traditional homecoming dance to wrap up the week of activities. Lastly, the Drama Department and the One-Act play will be working towards hosting District Theatre at the Tomahawk School District Auditorium on Saturday October 14, 2023.

community access the facility throughout the week and weekends.

- Strategic Planning
  - I am following the year's previous goals and collecting data to be able to present to the Board and Cesa on the Activities end of the school report card. Through my data collection, I have identified some numbers that stand out, and will be working with Wendell Quesinberry and the Administrative Staff on possibly solutions to increase participation in both our athletics and our clubs we offer in the school district.

As always, thank you everyone for your time and efforts in representing our district and giving our students better opportunities of growth as they attend our schools. Remember, I have an open-door policy and you are always more than welcome to stop by or call in regards to anything Activities related in the school district.

Report Respectfully Submitted by:  
Ryan Flynn  
Activities, Recreation, and Pool Director
