

ALEDO ISD BOARD MEETING TEMPLATE

MEETING DATE: September 21, 2021

AGENDA ITEM: 2021-2022 District and Campus Improvement Plans

PRESENTER: Lynn McKinney, Deputy Superintendent

BACKGROUND INFORMATION:

- On an annual basis, the district and campuses develop District and Campus Improvement Plans (DIP/CIP). Currently, this process is underway at the district level with the District-Wide Effectiveness Improvement Committee (DWEIC) and with each campus committee as the Comprehensive Needs Assessment (CNA) is being developed based on an extensive data review. The district and each campus utilize a committee that consists of parents, community members, and elected staff members to develop and review the Comprehensive Needs Assessment. The district instructional focus drives the work of our plans, which are all aligned. The District and Campus Improvement Plans are monitored throughout the school year to track the progress for each identified strategy and goal, and those progress reports are shared with the Board of Trustees quarterly.
- The District and Campus Improvement Plans will be presented to the board for approval at the October 18, 2021 board meeting.

FISCAL INFORMATION:

The District and Campus Improvement Plans guide budget decisions based upon identified priorities, the need assessment, and goals.
