**Plan to attend the upcoming Division Governing Board Meeting.**

The Division Governing Board Meeting serves as the annual planning meeting for all 2026-2027 division events.

All school board members and superintendents within the division are invited to attend to share preferences and insight on event dates, event presentation topics, and other details.

Each member school district in the division is entitled to representation at the governing meeting. Board member participation is solicited to help your officers and Association staff determine programs and services desired by the IASB membership.

**All board members and administrators are welcome.**
