**Lakeview Junior High School**

October '25 Board Report

**Goal One – Education**

As we near the end of the first quarter, we are proud to reflect on a strong and successful academic start to the school year. Teachers recently met with families during our first round of conferences, with a second round scheduled for October 9. While the inability to view grades online has understandably caused some frustration for staff and parents, our students and teachers have shown remarkable resilience. Engaging classroom environments continue to empower students to take ownership of their learning and develop leadership skills.

Students are excited to begin their next quarter of learning, and we anticipate continued rigor, engagement, and success. As they prepare for their next exploratory choice, we would like to highlight the Child Development class, where students are learning about CPR and how to care for children. In addition to hands-on learning in the classroom, these students are partnering with Prairieview across the street, building meaningful connections and fostering a love for learning with younger students.

**Goal Two – Essentials**

Since the beginning of the school year, 339 students have become involved in a wide variety of clubs and sports.

Some of our newest offerings, such as Fishing and Weightlifting, have been especially popular—showcasing our continued commitment to listening to student interests and creating opportunities for all to get involved and be part of the Spartan Community.

We are thrilled to see students fully embrace this year's theme, **“Your Best Starts Now,”** by trying new activities, gaining new skills, building relationships, and challenging themselves in meaningful ways. This enthusiasm and engagement reflect the strong culture of involvement and growth that continues to thrive in our school.

### **Goal Three – Environment**

School spirit has been on full display at Lakeview, helping create a positive and welcoming learning environment. From our updated spaces to an incredible Homecoming Parade, Lakeview is truly an exciting place to be. It was inspiring to see our Marching Spartans, mascots from all three buildings, ACE teams, clubs, and sports all represented in the parade, showcasing the pride and energy of our school community.

We remain committed to promoting a positive culture for learning while celebrating participation, community, and student achievement. The start of the year has been filled with enthusiasm and fun—setting the tone for a wonderful year ahead.

**Thank you for all you do to support and help make Lakeview a great place for kids!**
