

STATE OF MICHIGAN

**SPECIAL TRIBUTE**

**To Mendon Hornets Softball Team**

**LET IT BE KNOWN**, That is an honor to recognize and celebrate the successes of the Mendon Hornets softball team for their great achievement of winning a State Championship. The girls from the Mendon Hornets earned one of the highest honors in high school athletics: a state championship. This accomplishment is a testament to the hard work, relentless determination, and undeniable talent of each member of the team.

I would also like to congratulate and recognize the Mendon Hornets softball coaching staff for their efforts in leading the team to a state championship. The time, thorough preparation, and personal investment made by the coaching staff proved essential in setting the team up for success.

*Steve Carra*
