

Vision				
Empowering all students to be socially responsible, life-long learners in an ever changing world.				
Mission				
The School District of Tomahawk will become the school District of choice known for its high levels of student achievement, the excellence of its programs, and its sound stewardship.				
Teaching Learning & Relevance	The Whole Student	Communication & Community Engagement	District Workforce	Operational Excellence
Adaptive and focused pathways for growth.	Acknowledgment of the balance of student needs for social emotional development.	Engaging our parents and community stakeholders through excellence in communication.	To attract, retain, and support district staff.	Providing quality facilities and budgeting to support student, staff and community success.

Teaching, Learning & Relevance

- THS Summer School - Ms. Kollath facilitated the Credit Recovery portion of summer school in June. Five students took advantage of the opportunity to recover lost credits. Thank you to these staff members for their time and for providing these opportunities to students.
- Career & Technical Incentive Grant, Class of 2024 - The Wisconsin Dept. of Workforce Development continues to provide this grant program in collaboration with Wisconsin DPI. Grants from this program incentivize school districts to offer high-quality career and technical education programs that mitigate workforce shortages in key industries and occupations. The grants reimburse district schools up to \$1,000 for each recent graduate in the district earning an approved industry-recognized certification. Tomahawk High School Class of 2024 submitted 57 student-earned certifications that qualify for the grant and was awarded \$18,735 to be reinvested into our CTE programs. Detailed grant information with Wisconsin district comparative information for the Class of 2024 is not available at the time of this report. However, THS was again in the top 25% of schools for the number of certifications submitted to the grant, regardless of school size, for the Class of 2023.
- Through the strategic plan, THS has worked to increase dual-credit course opportunities for students to support their academic and career plans. Dual credit courses provide students the opportunity to earn college credits concurrently while enrolled in high school. THS teachers are certified by the post-secondary institution to teach dual credit courses. There is no cost to the student to complete a dual credit course. 157 THS students enrolled in Nicolet College dual credit courses in the 2024-25 school year, earning a total of 485.6 college credits. This is a total tuition savings of \$75,680. At the time of this report, North Central Technical College dual credit information was not available. Other college credit course opportunities at THS exist in Advanced Placement (AP) and Project Lead the Way (PLTW) programs.

Communication & Community Engagement

- A meeting will be held with Lincoln County Social Services on August 12th. This meeting will be held to discuss the AMC (Attendance Matters Committee) process and to review the county's support for this process. Tomahawk School District administrators are seeking additional support from Lincoln County to enhance our processes.

The Whole Student

- The Freshmen Link Crew Orientation Day is scheduled for September 2nd. This means that for the HS, only 9th-grade students and Link Leaders will attend on September 2nd. The Link Leaders and staff Link Advisers will have finalized planning on August 7th. Link Crew Leaders will be trained on August 13th & 14th.
- A Freshman Transition Summer Planning Day will be held on August 11th. The purpose of this meeting is to connect HS freshman teachers with 8th-grade teachers to collaborate and create a plan of support for the incoming freshman class. This will be a unique opportunity for collaboration between TMS and THS teachers.

District Workforce

- New High School Teaching Staff
 - Serena Hanke - English
 - Andrew Johnson - Science
 - Amanda Nowak - Business Education
 - Brianna Pelch - Special Education
 - Karolyn Schrammel - Special Education
 - Ava Magee - Special Education
 - Kayla Heldt - Guidance Counselor
