

# FCCLA REPORT

AMBER WHITE – ADVISOR

This past month we finished the rock entry of the school. I feel it turned out really well! Fair went really well. We had many division champion ribbons and first place ribbons. I have attached a grade sheet. We also have the cancer walk which was a great success. The hospitality and tourism class went to the pre-k academy and did a craft with them and read a book. Everyone enjoyed that!

We are selling cookies that the culinary classes make at the turkey lunch. All profit will go to food labs. I'm also trying to get interest generated for a talent show next month but up to this point interest is low.

Food Science class is preparing for ServSafe examine and will be ready to take it before they get out for Christmas break. It is a 5 year national food certification.

### Cancer Walk Profits and Donations:

Organization:	Profit:	Donation:
Student Council:	\$ 104	\$ 52
