Welcome to our new families at Fleming Middle School, and back to our returning families. My name is Lori Conner and I am very honored to serve as the principal at Fleming Middle School to our students and parents. I would like to welcome our new staff at Fleming- (Melanie Lute- school counselor & Jim Stever- Special Education teacher. Our goals here at Fleming are to Pursue Excellence, Seek Adult Advice, and Treat Others the Way You Would Like to be Treated; and to know Everyday is an Opportunity. We will work hard and play hard throughout the school year. I encourage you to reach out to myself or any staff member, at anytime, in regards to questions, concerns, and to share the success your child is having at school; open communication and teamwork are the utmost importance for your child's school success. Three Rivers School District will be continuing to partner with A2A- an attendance program. Student attendance at school is a leading factor that impacts their success in their education. We are very excited to be back at Fleming and looking forward to a great year.

### From The Kitchen

Welcome back to all!

I will be looking for student workers to help out in the kitchen at lunch times this year. If you are interested in learning new things and working with your fellow students please contact Ms. Anita in the cafeteria before or after school.

I will be looking to fill 3 or 4 positions for each lunch period (6th, 7th and 8th). You must keep up your grades, be willing to listen to directions and be friendly to everyone. Working in the kitchen entitles you to a free lunch for the day you worked and a popsicle on Friday if you work the whole week. I am looking forward to a fun filled 2018-19 school year.
