Re: Summer School Approval Request

This summer, we are again offering a tuition-free summer school for grades PreK -5. It will be held at Monaco Elementary.

There will be classes offered for ESL students entering Kindergarten and First grade next year. The ESL Classes must consist of 120 hours. These students will have classes Monday through Friday beginning June 4, 2012 and ending Tuesday, July 3, 2012.

Students in grades K-5, recommended by principals and teachers, will also be given the opportunity to attend. These classes will be offered Tuesday through Thursday beginning June 5, 2012 and ending Thursday, June 28, 2012. All students will be given the opportunity to have breakfast and/or lunch daily during summer school.

We are also offering a tuition-based summer school for students in grades 6th-8th needing credit recovery. This program requires students to pay tuition of \$150 per course to attend.

Thank you.
