January 16 Professional Development Day

For this professional development day we are relying on our in-house experts to provide support to teachers. Sessions are 40 minutes long and teachers have chosen their own topic to present.

Topics and Teachers:

- Mileposts and Gooru for Middle/High School, Scott Michaelson
- Google Classroom and You, Alex Willson
- AVID Strategies, Starla Bender, Kelly Schamber
- The Key to Success---Grit & Growth Mindset, Matt Holtry
- Math Strategies, Robyn Chandler
- Data Based Inquiry, Margo Phariss and Lesa Folwell
- Student Engagement, Mike Greely
- Interactive Notebooks, Christine Ketterling, Nick Ketterling
- SIOP, Debby Turner and Carrie Thorburn
- Get Engaged! Misty Sauer and Jennifer Matheson
- Mileposts for Elementary, Robyn Chandler and Laura Eubanks
- Quia.com, Mark Thatcher
- Your Classroom EdTech Question Answered, Phyllis Beck
- Sensory Processing, Samantha Smith
- Webpage Building, Casey Grove

Thanks to all the teachers who have agreed to share their expertise with their peers!
