BACKGROUND:

Mock Trial provides learning experiences such as teamwork, collaboration, oral presentation skills, productive argument, critical thinking skills, professionalism, and confidence.

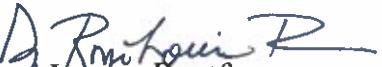

A team of 6-10 high school students are gathered by a team advisor and prepares to compete against their peers in an organized district and regional meet. Each team must learn both sides of the case study (Prosecution/Plaintiff and Defense) and students must play the roles of both attorneys and witnesses in a 'mock' trial.

Students learn about the judicial system, develop speaking skills, and make connections with professionals that can someday lead to internships. BISD High Schools work together to learn the facts of the case and create strategies for trial and then compete in our district competition. The 2025 BISD Mock Trial District Competition was held on Saturday, December 13th 2025.

The 2025 BISD Mock Trial District Competition recognizes the following 1st, 2nd, and 3rd place teams:
