### Athletic Department Updates - June 2026

- **Collaboration & Support:**
  - Shoutout to our outdoor maintenance staff. We worked through what seemed like every day cancellations in April, to playing nearly every day in the month of May to make-up games, often with little notice.
- **Upcoming Projects:**
  - Athletic registration via Bound was rolled out in May. Most of the process has been smooth. Bound has been receptive to feedback on what we would like changed.
- **Announcements:**
  - We are seeking a head boys' volleyball coach for the upcoming season.
