Tarrant and Parker County Appraisal District Election Results

Enclosed are letters from the Tarrant and Parker County Appraisal Districts communicating to Trustees the results of the recent Board of Director elections for each entity.

Aledo Education Foundation Prize Posse

On January 7th, the Aledo Education Foundation Prize Posse made stops at each AISD campus awarding innovation grants to a number of the Bearcat Family. The Student Council, Percussion Line and Cheerleaders participated along with staff and several directors from the AEF.

I believe anyone that participated would attest that it was a great day!

AMS Band Trip to Chicago

The trip to the Midwest Clinic in Chicago was a complete success. I will be reading feedback from a number of professionals who attended along with feedback from Board President Jay Stringer who attended the event representing Aledo ISD.
