The 7<sup>th</sup> grade B team finished the season with a 9-1 record which put them in first place. They do not have a district championship but were confident they would have won it if they had.

The 7<sup>th</sup> grade A team finished the season with a 10-0 record and won both district games to bring home the first place championship.

The 8<sup>th</sup> grade B team had a rough season, losing several games by only a few points. They finished the season with a 0-9 record.

The 8<sup>th</sup> grade A team finished the season with a 4-5 record. They placed 5<sup>th</sup> going into districts and defeated the 4<sup>th</sup> seed to move into the second round. They lost a close game to the eventual district champions to tie for 3<sup>rd</sup> place.

Overall, the boys all had good seasons with no academic ineligibilities and no injuries.

Cheerleading did a fantastic job during the season. Mrs. Wilson and the girls fundraised approximately \$1,000 to order matching uniforms and shoes that will be handed down each year. She would like to build the program into a year-long program that also cheers at football games.
