FOR ACTION

Subject: Approval of Third Party Cleaning Service

Earlier this month in the *Thursday Letter*, I briefed the Board of Education as to the cleanliness conditions at Westfield and the solution proposed by bringing in a third party service to address the problem for the remainder of this school year. GSF agreed to a contract just under \$35,000 to perform these services and their contract that I signed is attached. This arrangement will give the administration more time to assemble and select night custodians in time for summer work so that they are prepared for the start of the 2024-2025 school year as a team. GSF began to serve Westfield in the evenings on Monday, March 11.

It is the recommendation of the Administration to approve the contract with GSF, as presented.

Recommendation: The Board approve the contract with GSF, as presented.
