

NBHS DUAL CREDIT COURSES

Lincoln Land Community College

- Students will receive both high school and collegiate credit for the courses listed below.
- Students must successfully complete coursework with a grade of “C” or better
- Since these are college courses, it is expected that the student will remain in the course for the entire length of the course. If a student withdraws, it will potentially affect their collegiate financial aid (post-graduation)
- Students who do not otherwise meet a community college’s academic eligibility to enroll in a dual credit course taught at the high school may enroll in the dual credit course, but only for high school credit.
