Dear Jimmy Running Fisher,

My name is Sidney Day Rider and I am respectfully requesting a meeting with the School Board on an incident that happened on February 11<sup>th</sup>, 2026. I feel this important to me because I have a one child in Browning Public Schools District #9 and I am her only support system on bringing her to and from school and all after school events.

This incident of me not being allowed on school grounds has impacted not only my daughter, but also my friends and family, who have been required to make significant accommodations to assist us.

Thank You for your time and consideration if you have any questions or concerns feel free to call me or email.

Sincerely,

S. DayRider
