Invoice mailed to
Superintendent's
office.

Dear Superintendent:

A statement is enclosed containing information regarding your district's Fiscal Year 2022-2023 membership in the Illinois Association of School Boards. We thank you for your continued support.

I am pleased to inform you that your district's due amount **for FY 2023 will not increase**. Member dues are based upon three variables: Base Charge + (Weighted Factor x Final Resources). The Base Charge and the Weighted Factor are now linked to student enrollment (not ADA) and resources rather than expenditures. Also, in the future, your district will not experience more than a four percent annual increase to the dues amount regardless of the calculated amount.

The Association's strategic plan continues to guide the work of IASB staff with a focus on the six "Es," Envision, Excellence, Engage, Educate, Evolve, Empower, and Equity. We will continue to seek new and innovative ways to provide timely and meaningful support to our members.

Since the pandemic, IASB has launched over 90 virtual events and workshops attended by nearly 7,000 individuals. This summer, IASB will launch new events for board members including a Trust Edge in-person event.

IASB has also launched an advocacy ambassador program which will connect board members to legislators to discuss important legislative topics. IASB staff hosts monthly Advocacy Fridays to keep members informed on current issues, and staff members continue to produce and distribute the IASB Legislative Alert and a Federal Legislative Report.

Subscriptions to PRESS Plus continue to grow, and I am proud that IASB staff has met all benchmarks for timely responses to member districts.

The Association's plan for Equity, Diversity, and Inclusion continues to guide our work as we support our members and examine our own practices in support of equity, diversity, and inclusion.

The Association continues to offer a range of sponsored programs which allows districts to save valuable resources, including:

- Illinois School District Liquid Asset Fund Plus (ISDLAF+)
- Illinois School District Agency for property casualty pool (ISDA)
- Future Green Energy Consortium for solar power
- Forecast5 Analytics
- Illinois Energy Consortium (IEC) for electric and gas group purchasing
