Hello Jennifer,

My name is Jeanne Jeckell....I am Kayla's mother. I work at Pepsico/Gatorade in Mountaintop, PA. Every year our company puts together a goodie box for each employee that works here. It consists of all products that fall under the Pepsico umbrella (Frito Lay, Quaker Oats, Gatorade etc.) In the past, we have helped out Feed-a-Friend & local churches etc. I have asked the company to consider donating to your school if we had any left over, to help out with your backpack program or anyway you decide that can help out the kids. The boxes contain cereal, Oatmeal, Granola Bars, Rice-a-Roni, and chips/munchies. I just heard back today that I am able to ship out 2 boxes to you, if this is something you would accept. Please let me know. I can get these sent out via UPS directly to you. I would just need to know the school's physical address.

Thanks & I look forward to hearing back from you,  
Jeanne Jeckell

Over the past year and summer I've been collecting books to send out and wanted to confirm you would still want to receive them. My contact with a member of the Rotary, who has allowed me to use his business Fed-Ex account is allowing me to continue using it. A few boxes I packed this spring are almost ready to go, but I do want to add more boxes with those.

Let me know your thoughts.

Dear Jennifer:

Congratulations! Your school was selected to receive a \$500 ExxonMobil Education Alliance Grant to support your Math and Science Programs.

The \$500 grant check is enclosed. I look forward to hearing from you about how the funds are used and the number of students who will benefit from this grant.

If you have any questions, please feel free to give me a call at 406.497.6801. I will be happy to visit with you.

Regards,

*Karen*
