ACTION ITEM #3: The Committee recommends approval for health insurance, and both vision and dental insurance to be offered to County employees effective immediately when rehired within a 13-week period as presented.

INFORMATION ITEM: Interim Administrator Mathis reported effective July 1, 2024, the Department of Labor is increasing the salary threshold for administrative and professional employees to the equivalent of an annual salary of \$43,888 to \$58,656 on January 1, 2025. This will affect a few County employees, one of which is a grant funded position, and recommendation was made to change that employee to hourly. Interim Administrator Mathis will bring more information back to a future meeting.

Commissioner Burt Francisco requested a modification be made to the agenda to move the Discussion on Use of EM Vehicle next as he needs to leave the meeting and would like to be part of the discussion.

INFORMATION ITEM: Commissioner Kozlowski presented discussion on use of the Emergency Management vehicle. Director of Emergency Management and E911 Services Kim Elkie reported the vehicle is used for work related purposes only. Interim Administrator Mathis will work with the new County Administrator on vehicle use policies.

INFORMATION ITEM: IT Director Steve Mousseau presented a memo on the transition plan for the IT Department. Currently, Director Mousseau is working 30 hours per week until June 24, 2024. He is proposing at that time to work 20 hours per week through June 30, 2025, with the current Assistant IT Director Logan Kemp to take over the Director position as of January 6, 2025. Discussion was made that Directors and Department Heads need to be full-time and not part-time. The Committee will discuss how to proceed at the next Personnel Committee meeting.

He is requesting \$50 per week be paid to the IT employee that is on call for having to carry their work phone and be always available during their on call. INFORMATION ITEM: Register of Deeds Catherine Murphy requested approval to advertise for a vacancy in the Register of Deeds Office. Motion carried.

ACTION ITEM #6: The Committee recommends approval for the Register of Deeds to advertise for the upcoming Clerical Assistant vacancy in the Register of Deeds Office as presented.

INFORMATION ITEM: Sheriff Erik Smith reported he was previously approved to hire a full time Shelter Manager for Animal Control. As of today, the line item for Shelter Tech is in the negative and Sheriff Smith would now like to hire a part time Shelter Manager rather than a full time Shelter Manager and to take a portion of that budgeted \$46,500 Shelter Manager line item and transfer to the Shelter Tech line item to get through to the end of the year.

Sheriff Smith recommends hiring Deputy Director of Emergency Management and E911 Services Al Rapson as the part time Shelter Manager. Currently Al is working 29 hours as the Deputy Director and the Director of EM and E911 Kim Elkie is willing to sacrifice the 9 hours for Al to work part time as the Shelter Manager. Al would work 10 hours for Emergency Management, 10 hours for 911, and 20 hours as the Shelter Manager with his current hourly wage to stay the same. This would make him a full-time employee and be eligible for benefits that would be split between the three different departments. Motion was made by Commissioner Peterson and supported by Commissioner Kozlowski to recommend approval of the Sheriff's proposal as presented. Motion carried.

ACTION ITEM #7: The Committee recommends approval to hire Al Rapson as the Animal Control Shelter Manager part time for 20 hours per week and to transfer \$32,084 from line item 101-430-702.002 Shelter Manager to line item 101-430-702.000 Shelter Techs as presented.

Motion was made by Commissioner Kozlowski and supported by Commissioner Peterson to recommend that no more than 45 hours per week are worked between the Shelter Techs as presented. Roll call vote was taken: AYES: Commissioners Peterson, Kozlowski, and Fournier. NAYS: None. Motion carried.

ACTION ITEM #8: The Committee recommends approval that Shelter Techs work no more than a combined 45 hours per week as presented.

INFORMATION ITEM: Airport Manager Steve Smigelski requested a job title change for Assistant Airport Manager Edward (Mick) Higgins. His job duties are more consistent as an Operations Supervisor (training, safety, security, personnel deployment, equipment maintenance, fueling, etc.) than an Assistant Airport Manager. No compensation increase is being requested. Motion was made by Commissioner Kozlowski and supported by Commissioner Peterson to recommend approval to change the job title of the Assistant Airport Manager as presented. Roll call vote was taken: AYES: Commissioners Peterson, Kozlowski, and Fournier. Motion carried.

ACTION ITEM #9: The Committee recommends approval to change the Assistant Airport Manager's job title to Airfield Operations Supervisor as presented.

INFORMATION ITEM: Sheriff Smith reported the Coast Guard is having some staffing issues and will not be in the area as much. Sgt. JP Ritter was commended for getting the Sheriff boat in

great condition and Sheriff Smith will be creating a Marine Auxiliary Unit with non-paid individuals to help in emergency situations only. Sheriff Smith has spoken with the insurance company, and this is no issue for the County.
