11 th grade	2	0
12 th grade	9	0
Post grad	2	0
Total High School	27	0
Total secondary	37	0
Total in district	68	19

2 High School students are attending Brackett Educational Academy.

One should finish in January and the other is on Home bound placement and Hospice care.

One student has moved into our District identified as Special Education within the last month. We are still waiting for a migrant student that is SpEd to check in. Another student new to the district was experiencing problems before enrolling at BISS and is in Tier III of RTI. If no progress is made by early January a referral is likely to be requested. We also expect an admission at an initial ARD tomorrow after recent psychological testing. A referral on the student who's records we were waiting on is being initiated with a request for psychological testing expected in January.

We are currently reviewing data and working on our Performance Based Monitoring Analysis System documents that must be ready for submission in early January. Main areas of concern this year are SpEd students in ISS compared to non-SpEd students and SpEd students failing math and science TAKS.

Please feel free to contact me with any questions.

Respectfully,
Melanie Jones
