## Student Achievement

Registration meetings with 8<sup>th</sup>-11<sup>th</sup> graders will be held in early February. Mrs. Helgemoe and I will meet with each grade in to explain graduation requirements and registration process. In addition, with our new schedule and scheduling procedure, we will be hosting a parent information night in conjunction with parent-teacher conferences to help educate parents on the different offering we have available. These meetings are designed to help students make the best choices for classes. After our meetings, we encourage students to discuss class options with their parents.
