

Board of Trustees Valley Mills Independent School District

AGENDA ITEM: D-3

DATE: October 15, 2014

SUBJECT: Principal Recognition

COMMUNICATION/REPORTS

BACKGROUND INFORMATION:

October 2014 is designated as Principals Month in honor of the work of campus administrators across the state and nation.

With resolutions adopted by both the U.S. Senate and U.S. House of Representatives and proclamations issued by numerous state governors, the national recognition is an initiative of the National Association of Elementary School Principals and the National Association of Secondary School Principals.

School leadership is vital to the success of all students in VMISD. I would like for us take time Wednesday evening to recognize the efforts and positive contributions of our principals and assistant principals.
