Dear Board Members,

I have made two options for next year's calendar- for your discussion. On both options we have tried to reduce the number of days we have *Early Release*, and we have moved *Homecoming Parade* to a Friday with a *Teacher Day*.

In option 1- Christmas break is a full two weeks; the elementary gets out early on May 19th and then the following week they have for Professional Development.

In option 2- Christmas break is a day shorter than 2 weeks.

I will be bringing an analysis of attendance report for Christmas Break this year for your discussion as well.

Thank you,
