Mr. Jimenez, we would like the donation to UISD in the amount of \$600.00 to be used for school supplies, uniforms, shoes, and socks, which are the basic essentials for school. We do not have a specific criteria on how to select those that receive assistance. From what I understand, schools that have families in hardship, typically call the district and ask for assistance. If schools do not call, please send a notice out to the schools and ask if their our children that are in need of assistance.

Sincerely,

Margo Martinez.

Contributions may be made to the District, District schools, District departments, or various District groups and clubs. These charitable contributions are deductible by the contributor on their tax return. The federal identification number of United Independent School District is 746028859.

Please note, contributions made to various parent organizations, such as PTOs and Booster Clubs, are **NOT** contributions to the District. Since these organizations are separate entities from the District, the District's tax-exempt status does not apply to these organizations. These organizations must apply for their tax-exempt status under IRS Code Section 501(c)(3). Evidence of their tax-exempt status would be a Determination Letter from the IRS. When a PTO or Booster Club donates monetary or non-monetary items to the District, then the donation is considered a contribution to the District.
