

Bluffview Board Report

February 18, 2026

Monthly Building Report

- 1) Math & Science Night took place on February 4, attracting 145 attendees. Thanks to Dupo teachers and student volunteers, there were a variety of engaging activities. The event concluded with a performance by the Mad Scientist.
- 2) As we prepare for the IAR, after-school tutoring began Feb 3 and occurs two days a week until March 10.
- 3) On February 13, our Valentine's Day parties were a massive hit. There were great crafts and activities in all of the classes.
- 4) 5 Essential Survey window is open for students, staff, and parents. Congratulations to Mrs. Giovanetti for getting 100% of students to complete the survey.
- 5) Parent-Teacher conferences were held February 10 & 12.
- 6) During our School Improvement Day on February 13, math teachers participated in Bridges professional development. While other staff members listened to Joe Cipfl discuss AI.
