The summer is coming to an end rapidly. Teachers are starting to get classrooms ready. Custodians and Maintenance are working hard to get all the projects completed. The new building is getting final touches done with technology being installed and classrooms set up.

Teacher staff development is being planned out for the new school year. Teachers start back on August 17th.

Coaches have begun 2 a day practices for football, volleyball, and cross country. The band is starting to practice and prepare as well.

Secondary has set up days and times for students to pick up their schedules, fill out required forms, take pictures for possible student ID's, and get parking passes. August 10th - 13th from 12:30-5:30 with Aug 10th being Junior High, 11th Freshman and Sophmores, 12th Juniors and Seniors and 13th for those that couldn't come on previous day.

Secondary is looking into implementing Student ID's. There are several benefits for students to be issues an ID. They are: 1) to use in the cafeteria, 2) to use in the library, 3) to use as an ID in general (tests taking, blood drives etc...) 4) Safety - being able to identify students around campus 5) Athletic pass for students who get into games for being an athlete as well as band members pass. Staff, parents and community have been asked to answer a couple of questions on a survey. Right now it is posted on facebook but we will get it linked to the webb page as well as staff email. The information from the survey will help administrators decide whether or not to go through with purchasing the equipment and implementing them this school year.

Secondary is just lacking final approval from the board on 1 teacher position and if that goes through then we are full for this year. We are looking forward to a great 2015 - 2016 School Year!!

Living to Learn and Learning to Live because YOU MATTER!!

Respectfully Your BISD Secondary Administrators,

Daron Worrell and Christy Price
