Job: Browning Public Schools, irrigation water well.

Location: Browning High School Browning, MT 59417

Job description: 100-foot irrigation water well. 100' well to be drilled and cased with 80' plastic casing, 25' of 6" steel casing, and 15 bags of casing sealant. If more than 100' of drilling is needed, the customer will be contacted to grant permission for additional drilling. Additional total price will be affected if further drilling is agreed upon. Additional prices are: 65\$ per foot for drilling, 50\$ per foot for steel casing. If more than 20' is needed, the total price will reflect additional casing, drilling, material etc. We propose to furnish labor, fuel, and material to complete the specific job above.

Proposed cost: 6,500.00

Acceptance of proposal: The above prices and specifications are satisfactory and hereby accepted.
