Team Blended

Why **Blended**?

Initial Thoughts

Defined

1. Autonomy + Accountability

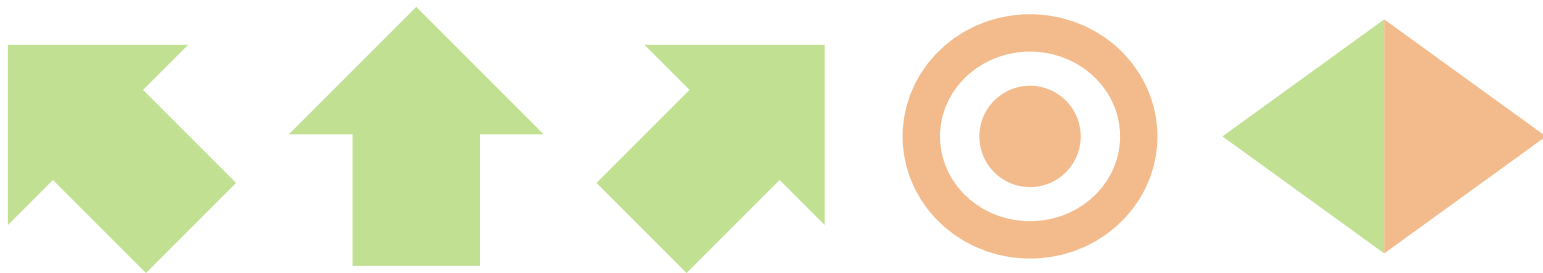

2. In and Out

3. Connected Experiences

Enriched Virtual

Structure

Blended Teachers...

Curate Facilitate Advocate

Build an online content library for students to explore at their own pace.

Provide in-class opportunities for students to apply their learning.

Build personalized learning plans with students that meet specific needs.

Blended Students...

Explore

Work through online learning experiences during “out” days.

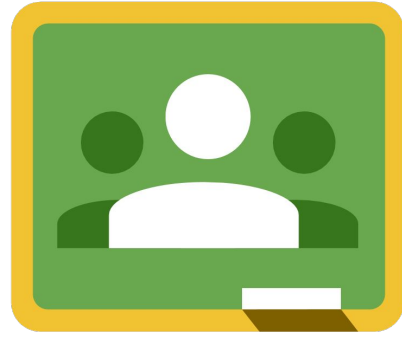

Apply

Participate in in-class activities and assessment to deepen and reinforce learning.

Advocate

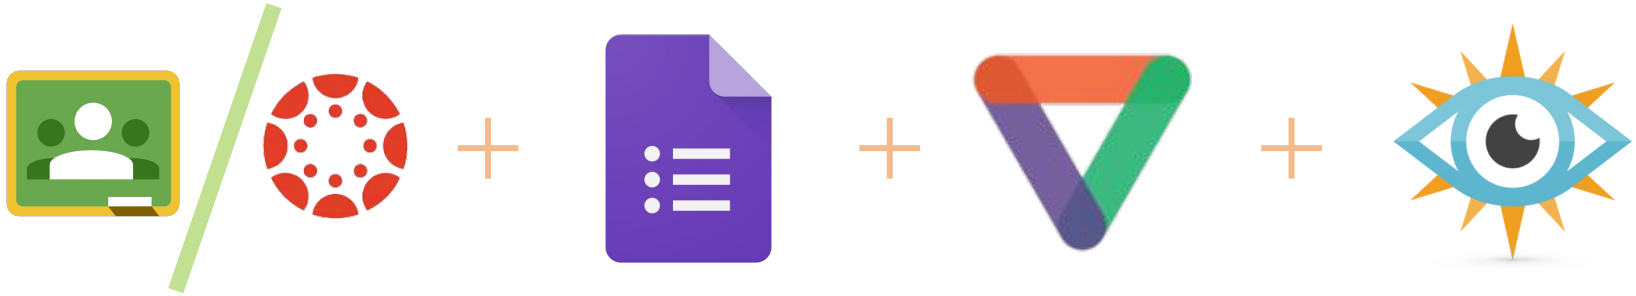

Practice self awareness on the learning journey and take an active role in planning for mastery.
