Recommendation for the Board of Education

Meeting: January 21st, 2025

Item: Purchase Reading Decodables using FY25 title Funding

Recommendation: I recommend the Board of Education approve the purchase of reading decodables at a cost of \$21,003.21 to be used as part of the reading program at PCPS. These materials would be purchased using Title I funding and would require no local funds.

Every year the State provides a second allocation for Title I grants, and this year's additional allocation was \$28,801. The remaining funds from this allocation will be used for programs at PCPS PCES, such as a STEAM night at PCES later this year and supplemental reading materials for 2nd-grade at PCPS.
