SUBJECT: Play Structure at Cleveland Elementary

I am recommending and seeking approval to award the purchase and installation of a play structure at Cleveland Elementary to Great Lakes Recreation Company, at a total cost of \$43,837.00. The vendors that participated in this bid are listed below:

Playworld Midstates	New Albany, OH	\$42,349.00
Game Time	Holland, MI	\$42,600.00
<b>Great Lakes Recreation Co.</b>	<b>Zeeland, MI</b>	<b>\$43,837.00</b>
Penchura	Brighton, MI	\$49,487.50
Miracle Midwest	Okemos, MI	\$49,500.00
S&D Field Services	Westland, MI	\$49,927.50

Rationale: Great Lakes Company's design was favored and approved by Cleveland's Building Committee; as well as, from a LPS maintenance view point and also meets the minimum specification. Great Lakes Company has added value to their proposal with 40 cubic yards of engineered fiber to top dress the play area and include the existing cement camel.
