Subject: CLASS

The next episode of the CLASS program is ready to present to our Board of Education. Each CLASS program is developed jointly between the Academic Services Department and Ken McMullen in the Communications Department. This episode will showcase the implementation of the state's high school content expectations for English language arts in one of the district's new twelfth grade English language arts classes, Humanities.

Please consider adding this item to the Instruction portion of the March 21, Board of Education meeting. Thank you for considering this request.
