VISITORS TO THE MIDDLE SCHOOL

VISITORS AT SCHOOL PROCEDURES

For purposes of understanding: A “visitor” means an unpaid person who attends a district sponsored event or activity. As part of D.C. Everest Board Policy 8410 school safety plan, all doors to the school are locked during the school day.

- Visitors will need to press a call button located near the center of the front doors to enter the building. All visitors are required to register in the school office.
- “Visitor” is typically a parent/guardian/family support person attending a school event, sporting event, theater production, class choir, or school family event OR is a parent/guardian dropping off/picking up their child from school.
- Visitors attending school events shall report their presence and sign in at the school office if the visit occurs during the instructional day; but may not be required to sign in if the event or activity is after the instructional day.
- Visitors dropping off/picking up their child from school outside normal drop/pickup times will press the call button located near the center of the front doors to enter the building and drop off/pick up their child in the office lobby area.

DCE EVERGREEN VOLUNTEER PROGRAM

Every day, D.C. Everest volunteers make a huge impact on the educational experience of our students. Volunteers are welcome and greatly appreciated. Whether you are interested in a one-time, one-hour project or an ongoing opportunity, we will find something that fits your schedule, talents and desires.

We continually strive to build a culture of civic engagement across our K-12 curriculum and strengthen connections district wide through meaningful engagement. With safety as a top priority, D.C. Everest has updated how it approaches the use of volunteers who may work with our students. If you have questions about volunteer opportunities at a specific school, please contact the relevant principal’s office.

All of us at D.C. Everest thank you for playing an important role in our school community.

ATTENDANCE

ABSENCES AND TARDIES - Families play a key role in getting their children to school every day. Research has found that regular attendance is a key ingredient for success in school. Being absent only 2 days every month is missing 10% of the school year.

Wisconsin State Law 118.15 and D.C. Everest Area School District Board Policy 5200 requires students to be in school with no more than 10 parent-excused days per school year; these absences may include all or part of a school day. Beyond that a written excuse from a medical professional is required to avoid truancy. The policy may be found at <https://go.boarddocs.com/wi/dcea/Board.nsf/Public> or is available in the school office.

Being at school every day is key for your child to stay engaged, successful and on track to graduate. Our primary concern is the impact on your student’s academic achievement. Absences can be a sign that a student is losing interest in school, struggling with schoolwork, or dealing with personal issues. By 6th grade, absenteeism is one of the signs that a student may drop out of high school. The longer students are away from school, peers, and teachers, the more difficult it is for

them to feel like they belong to the school community. We are also encouraging good habits and life skills for student's futures in the workplace.

ATTENDANCE PROCEDURES AND REGULATIONS - Regular and punctual attendance is the first step to school success. Frequent absence is one of the main causes of discouragement and failure in school. Students who are not in class miss material that is taught, lose the opportunity to ask and listen to questions and do work in the class with the help of their teacher. This often will lead to students falling behind and becoming discouraged and possibly fail in school. We urge that no student be absent unless it is absolutely necessary. Not only is regular school attendance required by law, but it is also a very important ingredient that goes into success at school. It is the parent's responsibility to notify the school of their child's absence.

Occasionally school absences become excessive. When the school determines that a student's absences have significantly exceeded the normal absence rate, a doctor's statement will become mandatory for an absence to be marked as excused.

Report all absences by telephoning the D.C. Everest Middle School Attendance Office. To speak to the attendance secretary, please call and request extension 1. The attendance voicemail is accessible 24 hours a day, 7 days a week.

- Dial 715-241-9700
- Enter extension 1 for the Attendance Office
- Or email mid-attendnace@dce.k12.wi.us

Parents who cannot call the school must send an explanatory note to the office upon the student's return to school in order for the unexcused absence to be changed. This note must be presented to the attendance secretary before 7:20 a.m.

STUDENTS WHO ARE LATE/TARDY TO SCHOOL - Students are considered tardy to school if they are not in their first period classroom by 7:20 AM. Being inside the school building by this time is not acceptable; they must be in their assigned class by 7:20 AM. Students who are late to school must report to the office prior to going to class. They will be given a hall pass on their iPad allowing them to return to class. Being delayed due to waiting in line to drop off students will not be considered an excused tardy.

TRUANCY/UNEXCUSED ABSENCES - A student will be considered truant if he/she is absent part or all of one (1) or more days from school during which the school attendance officer, principal or teacher has not been notified of the legal cause of such absence by the parent or guardian of the absent student. A student who is absent intermittently for the purpose of defeating the intent of the Wisconsin Compulsory Attendance Statute Sec. 118.15, Wis. Stats., will also be considered truant.

- A student skipping all or a large portion of a class is considered an absence for that hour.
- A student will be considered a habitual truant if she/he is absent from school without an acceptable excuse for part or all of five (5) or more days on which school is held during a school semester.

Truancy cases will be referred to Marathon County Juvenile Court. The Assistant Principal will ensure that appropriate school personnel have done the following before any case is referred to the District Attorney:

- Communicate with the student's parent or guardian to discuss the student's truancy or attempted to meet with the student's parent or guardian and have received no response or were refused.

- Provided an opportunity for educational counseling to the student to determine whether a change in the student's curriculum would resolve the student's truancy and have curriculum modifications under State law.
- Evaluate the student to determine whether learning problems may be a cause of the student's truancy and, if so, have taken steps to overcome the learning problems, except that the student need not be evaluated if test administered to the student within the previous year indicate that the student is performing at his/her grade level.
- Conduct an evaluation to determine whether social problems may be a cause of the student's truancy and if so, have taken appropriate action or made appropriate referrals.

Make school attendance a priority and do the following:

- Talk about the importance of showing up to school every day, make that the expectation.
- Help your child maintain daily routines, such as finishing homework, turning off electronic devices, and getting a good night's sleep.
- When possible, try not to schedule dental and medical appointments during the school day.
- Don't let your child stay home unless truly sick. Complaints of headaches, fatigue, or stomach aches may be signs of anxiety which can subside one at school.
- Help your pre-teen stay engaged. Find out if your child feels engaged in his classes and feels comfortable with other students. Talk to teachers if you notice sudden changes in behavior.
- Stay on top of academic progress and seek help from teachers if necessary. Make sure teachers know how to contact you.
- Know your child's social contacts and interactions on social media.
- Encourage meaningful after school activities, including sports and clubs.
- Contact us. Our staff, including your child's teachers, school counselor, and principals are here to help you and your child.

SKIPPING CLASS - A student that does not report to their assigned class, does not have a pass to be in another location, does not have a viable reason or is not with a staff member will be considered willfully not attending class, or skipping. A student skipping all or a large portion of a class is considered an absence for that hour. Skipping class will be considered for overall truancy proceedings.

TARDIES - Being on time to class is another important factor in academic achievement and life skills. The time that a student misses from class is instructional time lost. Those minutes add up to a day or days missed. Students may be tardy two times in a quarter without a consequence. A student's third tardy will warrant a consequence and parent phone call, which will be completed and entered in Infinite Campus as a Behavioral Incident that was managed by the teacher and confirmed with the parent.

Students will start over with zero tardies at the beginning of each quarter. Student's tardiness will be recorded for each individual period, not cumulative of the entire 8 periods.

TARDY POLICY:

AFTER THE FOURTH TARDY – The teacher will record the tardy in Infinite Campus (IC). The teacher will meet with the student to discuss the reason for the tardies and assist the student with ideas on how to get to class on time, a consequence may be issued.

THE FIFTH TARDY AND SUBSEQUENT TARDIES – Record the tardy and talk with the student and parent. This could be done by email, phone, text, or letter, etc. Notify the parent the child is being issued a consequence which may include a 30-minute detention for repeated tardiness. Chronic tardy cases (five or more in one class for the same quarter) will be referred to the office for additional consequences.

- *During a detention the student should be quiet, cooperative, be on time, and cannot use electronic devices. If any of these procedures are not followed by the student an additional detention can be issued.*

SKIPPED DETENTION – The teacher and student will call the parent informing them of the skip (a conversation needs to take place). The detention needs to be rescheduled and served. The office should be notified if the student skips a second time. After the second skip the office will call home (parent conversation) and inform the parent of the skipped detention. Administration will work with the student to determine the consequence for skipping a detention.

ADDITIONAL INFORMATION – Staff will use their judgment when a student tells them why they are late and determine if a student is tardy. Students should ask for a pass from a teacher if they are going to be late to ensure they are communicating with their teachers.

WORK FOLLOWING STUDENT ABSENCES – After an absence, a student is expected to see his/her teachers to explain the reason for the absence and to take the necessary steps to make up the work. In the case of planned absences, we encourage you to cooperatively work with your teacher to make up the work prior to the absence.

Each house will determine their standard for makeup work following student absence. This policy should be clearly communicated to the students and parents. Students may request homework to be sent home through the Student Services Office after three days of absence.

Students receiving an In School Suspension (ISS) or Out of School Suspension (OSS) will be allowed to make up missed work. Students are responsible for being an active participant in ensuring they communicate with teachers the need to make up work due to this circumstance. If work is made up in a reasonable amount of time, the lateness should not lower the grade.

PARENT/GUARDIAN REQUEST FOR HOMEWORK – Infinite Campus and Canvas are excellent resources for all students and their families. You are encouraged to check Infinite Campus Parent Portal regularly – especially in cases of student absence. Parent/guardian may call the Student Services office at extension 2316, to organize homework if a child has missed more than three days of school.

EARLY DISMISSAL/PARENT PICK-UP – Students who wish to leave school early for any reason during school hours, such as dental appointments, emergency doctor appointments, etc. must check out through the main office.

1. Early dismissals will only be given if a student has a written permission note from a parent or guardian.
2. No student is to leave their classroom or the building unless he/she has a “Permit to Leave” slip and has checked through the main office or the Health Room. This includes all students who become ill at school.
3. Students who are ill should go to the Health Room. If it is determined that they should go home, the parent will be notified and then they will receive a pass to leave school. To help us keep accurate attendance, students should not call or text their parents directly without going to the healthroom to be picked up if they are not feeling well.

Parents are asked to communicate with the office for student pickups, appointments or illness by phone or note by student. This will allow us to contact teachers, students and or the Health Room for student information and possible early pick up.

INSTRUCTIONAL MATERIALS

Parents have the right to inspect instructional materials and IMC materials – Policy 9130 and 2622. CODES OF CONDUCT

STUDENT RESPONSIBILITIES - Students at D.C. Everest Middle School are responsible to:

- Be at school on time unless properly excused by a parent or sent home by a school official.
- Show respect and courtesy for others at all times both physically and verbally.
- Take care of school property (desks, lockers, iPad, walls, bulletin boards, windows, halls, etc.).
- Help keep the building and grounds clean and attractive.
- Attend class and complete assigned homework.
- Bring supplies (books, paper, pens, pencils, iPads, instruments, etc.) to class daily.
- Learn, make friends, and have fun!

DRESS CODE - Students' standard of dress and appearance should be a positive reflection of themselves and compatible with an effective learning environment. Dress and appearance should promote respect, responsibility, safety, and honesty. To promote a positive learning environment, presenting a bodily appearance of wearing clothing which is disruptive, provocative, revealing, profane, vulgar, offensive, or obscene, or which endangers the health and safety of the student or others is prohibited.

In order to assure a healthy and safe school environment for students, the middle school will enforce the following student dress code guidelines:

- Clothing should always completely cover the torso.
- Shorts must have at least a 3-inch inseam.
- Undergarments must be worn and shall not be visible.
- No student shall be permitted to wear any clothing that contains pictures and/or writing referring to alcoholic beverages, tobacco products, sexual references, profanity, promotion of gambling, symbols or styles of attire associated with intimidation, violence, drugs / drug use, or gangs, or that is a disruption to the learning environment.
- Students are not allowed to wear or carry actual physical flags.
- During the school day, baseball caps, hats, beanies, bandanas, sunglasses and hoods are not allowed as they make identification of students in the building difficult, and they allow for concealment of earbuds during class time.
 - Head coverings that are religious or part of traditional ethnic attire will be permitted.
 - Individual exceptions may be made for students with medical conditions or other reasons on a case-by-case basis.
- Chains, heavy necklaces, or spikes that could be perceived as or used as a weapon shall not be worn.
- AirPods earphones, headphones, etc. may only be used over/in the ears with permission from staff.
- Students are not allowed to carry backpacks, string bags, sling bags or fanny packs during the school day.

When questions arise regarding the interpretation of this policy, administration shall make a determination as to the appropriateness of the student dress. D.C. Everest Middle School recognizes the right of students to express individuality through their attire. It also recognizes the rights and responsibilities of parents to determine the standards of dress for their children. However, staff and administration have the responsibility to ensure that our school atmosphere is conducive to learning. Balancing these interests, D.C. Everest Middle School has adopted a dress code for students that

set standards for appearance during school hours and school functions. Teachers, administrators, and other school personnel are charged with the responsibility of enforcing student dress code policy in their classes as well on campus.

Students will be asked to change their dress or appearance if it does not meet the dress code, if it is disruptive or of an unhealthy/unsafe nature. Students who refuse to change their appearance or dress should be sent to the office. A second or repeated violation of this policy may result in disciplinary action.

The prohibition does not apply to cased, unloaded firearms in a locked vehicle driven or parked in any part of school grounds used as a parking facility, and ammunition for such firearms.

The term “weapon” means any object which, in the manner in which it is used, is intended to be used, or is represented, is capable of inflicting serious bodily harm or property damage, as well as endangering the health and safety of persons. Weapons include, but are not limited to, firearms (including but not limited to, firearms as defined in 18 U.S.C. 921(a)(3)), guns of any type whatsoever, including air and gas-powered guns (whether loaded or unloaded), knives, (subject to the exceptions below) razors, with unguarded blades, clubs, electric weapons, metallic knuckles, martial arts weapons, ammunition, and explosives.

The Superintendent is authorized to establish instructional programs on weapons and reporting and dealing with violations of this policy.

The Superintendent will refer any student who violates this policy to the student’s parents or guardians and may also make a referral to the criminal justice or juvenile delinquency system. The student may also be subject to disciplinary action, up to and including expulsion.

Policy exceptions include:

- A. Weapons under the control of law enforcement personnel.
- B. Items pre-approved by the Superintendent or designee, as part of a class or individual presentation under adult supervision, including, but not limited to Hunter’s Education courses, if used for the purpose and in the manner approved (working firearms, except those protected at all times by a cable or trigger lock, and live ammunition will never be approved);
- C. Theatrical props used in appropriate settings.

This policy will be published annually in all District student and staff handbooks. Publication is not a precondition to enforcement of this policy. *120.13(1), Wis. Stats., 943.13, Wis. Stats., 948.605, Wis. Stats*

RESTORATIVE PRACTICES - When a student has inappropriate behavior, we would like to use this as a learning opportunity. Students will discuss why the actions occurred and process with a staff member on how to avoid that choice in the future. Staff may ask the student to participate in a restorative practice to assist in teaching the proper behavior and repair relationships with others.

PROGRESSIVE DISCIPLINE - Continued student misbehavior will result in consequences for their actions. Consequences may be individualized and based on each situation. Meeting with a school counselor may be required as well to see if there are any other underlying issues causing the frustrations and misbehavior. The more serious and more frequent the offenses, the longer and more severe consequences will be.

IN-SCHOOL SUSPENSION (ISS) and OUT-OF-SCHOOL SUSPENSION (OSS) - When an offense is deemed unsafe or impedes the learning of others a student may be given an in-school or out of-school suspension.

PARTICIPATION IN AFTER-SCHOOL ACTIVITIES – Athletics, dances, clubs and fun nights are a privilege for students to attend. Any student who has a behavior offense that is deemed serious may lose the privilege of attending these

activities for the current and next quarter of school. These will include, but are not limited to offenses of AODA, Tobacco/Vaping and Violence/Physical Aggression.

Student expectations for classroom, school and bus behavior are outlined in district policy 5500: Student Code of Classroom Conduct.

Student expectation for Athletics are outlined by the D.C. Everest Athletic Code of Conduct.

GENERAL SCHOOL POLICIES

- **Soft Drinks** - D.C. Everest Schools discourages students from bringing soda, caffeinated drinks and/or energy drinks (Red Bull, Monster, Bubblr etc.) to school as a beverage with lunch or for in the classroom. Students are asked to make a healthier choice of beverage such as milk or fruit juice. Milk, juice, and health beverages are available through our food service department. Water in water bottles only will be allowed in classrooms.
- **Honesty** - Consistent with our school core values, students are expected to be honest. Any student who is not honest about homework, test, behavior, use of AI etc. will be required to complete the Behavior Correction form with the guidance of his or her teacher. Teachers should clearly define honest work for their students and parents.
- **What I Need (WIN)** - The primary purpose is academic enrichment, intervention, or positive behavior lessons. Secondary purposes include additional academic opportunities, social/emotional skill building, and house activity. Students who are not assigned to a WIN will use WIN time as a study hall.
- **Pledge of Allegiance** - After announcements each day, all first-period teachers will have their class recite The Pledge of Allegiance. No students shall be compelled against their objection or those of their parent or guardian to recite the pledge.
- **Homework Policy** - Each House will determine procedures for their homework policy. Homework should be purposeful and developmentally appropriate practice. Best practice indicates that for homework to be effective a student should be able to complete it independently. This policy should be clearly communicated with students and parents.

LUNCH REGULATIONS

1. All students should stay at school throughout his or her lunch period unless they bring a signed statement from parents that they will be leaving with them for lunch. Only students with permission from the office will be allowed to leave with them for lunch. Parents will pick up their children from the main office.
2. Student cooperation is needed in keeping the lunchroom clean. Please reinforce with them the importance of responsible lunchroom behavior.
3. Students will be expected to go outside for recess after the completion of their lunch time. Students may go to the iLab if they have received a pass.
4. Students are not allowed to call in orders for delivery of food without permission from the principal or assistant principal in advance.
5. Students **may not** have their phone out or in use (or any technology such as AirPods) at any time in the lunchroom or on the playground during lunch and recess.

LOCKERS - Hall and gym lockers are provided for student convenience at no cost. It is the responsibility of each student to report any locker malfunction immediately to the office for repair. The school will not be responsible for lost or stolen

items. Students may decorate the inside of their locker as long as decorations are consistent with the school's core values. Students may not hang anything on the outside of their locker unless it is approved by a teacher or administration. The use of latex balloons to decorate is strictly prohibited.

The use of a locker other than the one assigned to a student is prohibited. At no time does the D.C. Everest School District relinquish its exclusive control of such lockers. The lockers assigned to a student are the property of the D.C. Everest School District and are subject to search at any time. Students shall not be allowed to secure their lockers in any way whatsoever, other than the locking mechanism provided by the school. School authorities, for any reason, may conduct periodic general inspections of lockers at any time, without notice, without student consent, and without a search warrant. All lockers and contents therein may be searched for weapons, drugs, other contraband, or any item that may place any student, employee, or anyone else on the premises in danger. If the building administration has reasonable suspicion a student may be in possession of stolen property or any item posing a safety concern for others, cigarettes, or other tobacco products, vapes, JUUL, drugs or drug paraphernalia, or any item distracting others from their educational pursuits, a student may also be asked to empty their pockets, book bags, backpacks, purses etc. The school's Police Liaison Officer may assist in any search at the direction of a school administrator. All backpacks, sling bags, fanny packs etc. must be kept in student lockers during the day.

GRADING AND ASSESSMENT

STUDENT PROGRESS - D. C. Everest is committed to using grades to communicate academic achievement based on essential learning criteria. Traditional grading practices have not reliably reported student achievement, primarily due to the inclusion of non-academic factors. Best practices suggest that regular feedback has a strong, positive impact on learning. Grades are one important opportunity to provide that feedback.

The following principles guide our District-wide efforts:

1. Grades reflect a student's knowledge and level of performance.
2. Grades are based on a variety of assessments that measure student achievement.
3. Grades clearly communicate information that enhances the partnership among parents, students and teachers and are meant to provide feedback about student achievement.
4. Non-academic factors are highly valued and contribute to student achievement; they may be communicated separately.
5. Accommodations are made as needed to help students achieve targeted outcomes.
6. Retake/Reassessment procedures will be communicated by the classroom teacher.

Grading Codes

- A= The student has demonstrated mastery. Shows extended and strategic thinking.
- AB
- B= The student consistently shows thorough understanding or proficiency of the learning goal/standard.
- BC
- C= The student shows simple or basic understanding.
- D = Learning is still in progress. The student has not yet demonstrated an understanding of the basic learning goal/standard.
- F = Student has failed to produce any work or evidence for grading. Not working towards grade level standards.

CANVAS - Student grades can be found on Canvas. Canvas is the Learning Management System used by all teachers at the middle school. Canvas will help students keep track of assignments, due dates, missing work, resources, and grades. It is also the resource that students should use to get their homework and assignments if they are absent. Students and parents will each have their own individual logins to check work and communicate. Please note that quarter grades, semester grades and final grades will be posted on the Parent Portal of Infinite Campus as well.

WIN DOC - Students who need remediation or have missing work are requested for WIN to complete work. The missing assignments are also posted on our WIN doc. You will receive an email sent your designated email if your child is placed on the WIN doc. You may also ask your student to show you their WIN doc at any time.

INFINITE CAMPUS - Parents may also log into the Infinite Campus Parent Portal to be able to view students' quarter and semester grades for each class they are taking. You may create an account by logging onto the district web page and going to the Infinite Campus link under the For Families tab.

TEACHER CONTACT - Parents are also welcomed and encouraged to contact (via phone or email) their student's teachers for an update on progress.

SCREENERS

The D.C. Everest School District continues to create academic and social-emotional support systems linked directly to the assessed needs of our students. This system, known as the Everest System of Supports (E.S.S.), provides all students with timely and targeted instruction and intervention based upon the data-driven results of universal screening tools.

The primary purpose of universal screenings is to help all students be successful. By identifying students who are in need of more specialized academic or behavioral interventions, we can provide assistance and preventative measures as early as possible. Likewise, by identifying students with higher reasoning skills and talent potential, we can provide them with opportunities to participate in Honors, Advanced Placement, or Dual Enrollment programs as appropriate for the individual student.

These screenings include state or district tests, as well as specific academic or behavior screening tests. The screening assessments are typically administered to all students two or three times per year. [\(The iReady information found here is subject to change.\)](#)

- The universal screening tool iReady (grades 6-7) is an adaptive assessment used in math and literacy to help determine where students might have gaps in knowledge and skills and need assistance. It is administered three times per year and generally requires 45-90 minutes.
- The Bloomsights screening tool (grades 6-7) helps to identify the connections among students and provides them an opportunity to express their own concerns related to the school environment. It is a student completed screener that informs decision making at the student, classroom, and school level.

Thank you for supporting the D.C. Everest School District's efforts to build a system of student supports linked directly to data. This initiative will ensure each of our students has the opportunity to receive the assistance they need to achieve academic and social-emotional success. Please do not hesitate to contact your building principal if you would like to discuss any of the screening processes or the options of opting your child out of a specific screener.

TECHNOLOGY AND ACCEPTABLE USE

D.C. Everest encourages students to use technology to enhance their learning while being responsible consumers of media. Access to the school's wireless network is a privilege, not a right. All students must sign our acceptable user contract acknowledging the rules that maintain respectful and responsible technology use during the school day. Abuse of technology devices/ software as written in the district policy may result in suspension or termination of technology privileges and other disciplinary action consistent with district policy. District-issued iPads are the property of the D.C. Everest School District. All iPads are subject to search from school personnel when there is reasonable suspicion that school rules have been violated. School authorities may conduct general inspections of iPads given a suspicion of misconduct, without notice, without student or parent consent and without a search warrant. It is the responsibility of each student to report any misconduct of use on their district-issued iPad.

ARTIFICIAL INTELLIGENCE AI technology can be an excellent resource for enhancing learning and teaching experiences, but it must be used responsibly and ethically. Students, teachers, and staff members must ensure that any AI systems they use are age and school appropriate and that they do not violate the privacy of other individuals. The use of AI for academic purposes should align with the district's curriculum and instruction goals. Students, teachers, and staff must use AI tools responsibly, avoiding any form of plagiarism or cheating. Failure to follow these guidelines may result in loss of technology privileges and/or appropriate disciplinary action up to and including expulsion.

DEVICE MANAGEMENT Students, with support from parents, are expected to manage their device in a way that minimizes the likelihood of damage, loss or theft. iPads must never be left in an unlocked locker, unlocked car or unsupervised area. Any iPads that are broken or fail to work properly must be reported to the office immediately. If there is a device malfunction, it may be repaired or replaced through Apple's warranty.

A loaner iPad will be issued to the student. Families will be responsible for paying a deductible for accidental damage, loss or theft. The cost to repair or replace an iPad within one school year will be:

- 1st incident: A \$50 deductible and a review of iPad care and security information with building administrator to receive an iPad replacement.
- 2nd incident: A \$100 deductible before a replacement iPad is issued and limited to in-school use only, duration to be determined by building administrator.
- 3rd incident: Actual cost of repair or replacement not to exceed \$320. Student will only have in-school use of the iPad for the remainder of the school year.

Additional iPad Repairs: Replacement cost for the standard iPad case is \$15/keyboard iPad case is \$90, a power block \$12, a charging cable is \$6, and replacement headphones are \$5. Students that cause damage by deliberate or malicious means will be responsible for paying for the entire repair or replacement of the iPad, not to exceed \$320. Building administrators will make the determination if the damage was caused by reckless or intentional conduct. Arrangements for payment plans can be established with the building administrator.

PERSONAL SAFETY - Students will not post contact information (e.g., address, phone number) about themselves or any other person. Students will not agree to meet in person with someone they have met online without approval of their parents. Any contact of this nature or the receipt of any message the student feels is inappropriate or makes the student

feel uncomfortable should be reported to school authorities immediately.

ILLEGAL ACTIVITIES - Students will not attempt to gain unauthorized access to this or any other computer system or go beyond the student's authorized access by using another person's account or accessing another person's files. Students will not deliberately attempt to disrupt the computer system or destroy data by spreading computer viruses or by any other means.

Students will not use the D.C. Everest network system to engage in any illegal act, such as arranging for a drug sale or the purchase of alcohol, engaging in criminal gang activity, threatening the safety of a person, etc. Students will not intentionally tamper with the hardware or software available for their use.

SYSTEM SECURITY - If an individual account is provided, the student is responsible for that account and should take all reasonable precautions to prevent others from being able to use that account. Under no condition should a student give a student's login and/or password to another person.

- Students will immediately notify a teacher or the system administrator if they have identified a possible security problem. Students should not look for security problems; this may be construed as an illegal attempt to gain access.
- Students will avoid the inadvertent spread of computer viruses by following the District virus protection procedures when downloading files.
- Inappropriate Language
- On any and all uses of the internet, whether in application to public or private messages or material posted on web pages, students will not use obscene, profane, lewd, vulgar, rude, inflammatory, threatening, or disrespectful language. Students will not post information that could cause danger or disruption or engage in personal attacks, including prejudicial or discriminatory attacks. Students will not harass another person by a persistent action that distresses or annoys another person, and students must stop if asked to do so.

RESPECTING RESOURCE LIMITS

- Students will use the system only for educational and career development activities and limited, high-quality, self-discovery activities. Games or other programs of a personal nature may not be installed or run.
- Students will not download large files without the approval of a lab supervisor or teacher.
- Students will be assigned a personal email account by the District for the purpose of school use.
- In that event the student misuses the email account it may be deactivated.
- Students will subscribe only to high-quality discussion group mail lists that are conducted through the D.C. Everest network system. In the event of a claim that students have violated this policy, the school disciplinary code, or the law, the student will be given notice of suspected violations and have an opportunity to present an explanation according to school code and/or state, federal or international law.
- The District makes no guarantee that the functions or the services provided by or through the District system will be error-free or without defect. The District will not be responsible for any damage students may suffer including, but not limited to, loss of data or interruptions of service. The District is not responsible for the accuracy or quality of the information obtained through or stored on the system. The District will not be responsible for financial obligations arising from unauthorized use of the system.
- Network activity is monitored and logged. Violations of this policy are easily discovered. Depending on the nature and degree of a violation and the number of previous violations, unacceptable use of the school District system or the internet may result in one or more of the following consequences: suspension or cancellation of use of access privileges; payments for damages and repairs, discipline under other appropriate school District policies.

DISTRICT IPADS - District issued iPads are the property of the D.C. Everest School District. All iPads are subject to search from school personnel when there is reasonable suspicion that school rules have been violated. School authorities may conduct general inspections of iPads given a suspicion of misconduct, without notice, without student or parent consent and without a search warrant. It is the responsibility of each student to report any misconduct of use on their District issued iPad.

GOOGLE APPS FOR EDUCATION - Google Apps is a set of online tools for communication, collaboration, time management, and document storage. Provided by Google to the District at no cost, these tools include:

- Google Apps: a word processing, spreadsheet, presentation and drawing program that allows multi-user access and editing.
- Calendar: a customizable calendar and to-do list
- Contacts: an address book
- Gmail: a full functioning e-mail program

Google continues to add new tools and the District will evaluate each for its education potential. All of these tools are housed on the internet and can be accessed from any internet-connected computer with a web browser. No special software is required.

Our primary reasons for supplying these tools to students are:

- To give our students practice in using current technology applications and tools.
- To give students the ability to work on common, no-cost tools on their own documents both at school and outside of school.
- To facilitate paperless transfer of work between students and teachers
- To provide adequate long-term storage space for student work
- To help students work collaboratively, engage in peer-editing of documents, and publish for a wider audience.
- To provide a digital environment where our students and teachers can work collaboratively.

There is also a cost savings to the District since less file storage space will need to be maintained. Teachers will be reviewing our District's Acceptable Use Policy and Internet safety guidelines when they introduce these tools to students. Using online tools responsibly will be an important part of the learning process.

CELL PHONES AND PERSONAL COMMUNICATION DEVICES - Student use of electronic communication devices, including but not limited to cell phones, personal tablets, AirPods or other devices, on school premises are subject to restricted use during the school day. **Students may only use their personal device before the start of school until 7:20 am and after school concludes at 2:32 pm.**

The use may not in any way:

- Disrupt the educational process for themselves or others (Including school-based bullying)
- Endanger the health or safety of the student or others.
- Infringe upon the rights of others at school.
- Involve illegal or prohibited conduct.
 - Recording/sharing/distribution of illicit photos/videos to minors will be referred to law enforcement for child pornography and will be subject to consequences up to and including suspension.

- Recording/sharing/distribution of photos/videos of illegal or prohibited activities and/or without the consent of those filmed will be subject to consequences up to and including suspension and referral to law enforcement.
- Cause them to be tardy to class or arrange for meeting other students during class instead of attending class.

At no time may cellphones or other electronic communication devices be used to take, record or transfer photographs or video images of a person without staff permission and at no time in school locker rooms, restrooms, or other private areas.

The District shall not be responsible for the security or safety of electronic communication devices that students choose to bring to school.

Nothing within this policy shall be construed to limit a student's ability to possess and use an electronic device in a manner that functions as assistive technology necessary for a student's education and that is required under an individualized education plan, Section 504 plan, or health plan.

Any student found violating this policy shall be subject to school discipline. This may include students having restricted use or loss of privileges to use technology in school and in/out of school suspensions. Students will be notified annually of this policy through registration materials and/or student handbooks.

GAGGLE - The district has a content monitoring service called Gaggle. Gaggle monitors for concerning or inappropriate content by students on all student accounts, servers and devices that are district owned and supervised.

BULLYING AND/OR HARASSMENT

BULLYING (po5517.01)

Bullying is deliberate or intentional behavior using words or actions, intended to cause fear, intimidation, or harm. Bullying may be a repeated behavior and involves an imbalance of power. Furthermore, it may be serious enough to negatively impact a student's educational, physical, or emotional well-being. The behavior may be motivated by an actual or perceived distinguishing characteristic such as, but not limited to: age; national origin; race; ethnicity; religion; gender; gender identity; sexual orientation; physical attributes; physical or mental ability or disability; and social, economic, or family status; however, this type of prohibited bullying behavior need not be based on any of those particular or other particular characteristics. It includes, but is not necessarily limited to, such behaviors as stalking, cyberbullying, intimidating, menacing, coercing, name-calling, taunting, making threats, and hazing.

Some examples of Bullying are:

1. Physical – hitting, kicking, spitting, pushing, pulling, taking and/or damaging personal belongings or extorting money, blocking or impeding student movement, unwelcome physical contact.
2. Verbal – taunting, malicious teasing, insulting, name-calling, making threats.
3. Psychological – spreading rumors, manipulating social relationships, coercion, or engaging in social exclusion/shunning, extortion, or intimidation.
4. "Cyberbullying" – the use of information and communication technologies such as e-mail, cell phone and pager text messages, instant messaging (IM), defamatory personal websites, and defamatory online personal polling websites

There will be times where students are in conflict. This occurs when there is equal power between students who are not getting along. In disagreements where students express their viewpoints, it is recognized that while they might express strong emotions or feelings, they usually have a desire to resolve the situation. These situations will be treated as student conflict and not bullying. We may assist the student(s) in resolving conflict utilizing our student services department.

The Board is committed to providing a safe, positive, productive, and nurturing educational environment for all of its students. The Board encourages the promotion of positive interpersonal relations between members of the school community. Bullying toward a student, whether by other students, staff, or third parties, is strictly prohibited and will not be tolerated. This prohibition includes physical, verbal, and psychological abuse. The Board will not tolerate any gestures, comments, threats, or actions which cause or threaten to cause bodily harm or personal degradation. This policy applies to all activities in the District, including activities on school property, including at any of the school buildings or other property used exclusively or in part, whether leased or owned by the District, for the purpose of school-related functions or events; or while traveling to or from school or to and from school-sponsored functions or events; in transporting vehicles arranged for by School District officials. The policy applies as well during activities that occur off school property if the student or employee is at any school-sponsored, school-approved, or school-related activity or function, such as field trips/athletic events where students are under the supervision of school authorities, or where an employee is engaged in school business, or where there is otherwise a connection to the school such that the conduct at issue affects or is intended to affect the student's educational environment. The policy may be found at <https://go.boarddocs.com/wi/dcea/Board.nsf/Public> or is available in the school office.

HARRASSMENT (po5517)

Harassment means any threatening, insulting, or dehumanizing gesture, use of data or computer software, or written, verbal or physical conduct directed against a student, or group of students, based on one or more of the student's Protected Class (gender status, change of sex, or gender identity, race, color, national origin, religion, creed, ancestry, marital or parental status, sexual orientation or physical, mental, emotional or learning disability, or any other characteristic protected by Federal or State civil rights laws) that:

1. places a student, or group of students, in reasonable fear of harm to the student's person or damage to the student's property;
2. has the effect of substantially interfering with a student's, or group of students', educational performance, opportunities, or benefits; or
3. has the effect of substantially disrupting the orderly operation of a school.

Harassment also includes "hate speech" directed against a student, or group of students—the use of language, behavior, or images/symbols that express prejudice against a particular group or groups on the basis of any protected characteristic(s).

Examples are:

1. making statements that promote violence toward a racial or ethnic group;
2. drawing, displaying, or posting images or symbols of prejudice.

Bullying behavior rises to the level of harassment when the prohibited conduct is based upon the student's sex (including gender status, change of sex, or gender identity), race color, national origin, religion, creed, ancestry, marital or parental status, sexual orientation, physical, mental, emotional, or learning disability, or any other characteristic protected by Federal or State civil rights.

Within any group or protected class, individuals might use language in ways that are familiar or intended to reclaim words or concepts that have historically been used to harm or oppress them. However, this doesn't mean that such language is universally acceptable or appropriate, especially outside of that specific context or among individuals who may not share the same experiences.

Words or concepts, even when directed at one's own identity group, can still perpetuate harm and reinforce negative stereotypes. Therefore, students are expected to use language that is universally acceptable and appropriate both within and outside their own groups.

It is the policy of the Board to maintain an educational environment that is free from all forms of harassment. This commitment applies to all District operations, programs, and activities. All students, administrators, teachers, staff, and all other school personnel share responsibility for avoiding, discouraging, and reporting any form of harassment. This policy applies to conduct occurring in any manner or setting over which the Board can exercise control, including on school property, or at another location if such conduct occurs during an activity sponsored by the Board. More information can be found on our website at <https://www.dce.k12.wi.us/district-info/district-notice> or in Policy 5517 – Student Anti-Harassment at: <https://go.boarddocs.com/wi/dcea/Board.nsf/Public> or is available in the school office.

ADDRESSING BULLYING AN/OR HARASSMENT

Every person (student, parent, guardian, teacher, etc.) is encouraged to immediately report any situation that they believe to be bullying and/or harassment behavior to a school building staff member or District employee. Teachers, administrators, and other school employees who have the knowledge or received notice that a student has or may have been the victim of bullying and/or harassment shall report the incident to the building administrator. Reports can be made verbally or in writing.

All allegations of bullying and harassment will be investigated and in those cases where bullying or harassment is substantiated, immediate steps will be taken designed to end the bullying or harassment, prevent its recurrence, and remedy its effects. Individuals who are found to have engaged in bullying or harassment will be subject to appropriate disciplinary action up to and including expulsion.

The District Compliance Officers for student harassment are: Dr. Jeff Lindell, Assistant Superintendent of Learning, 6100 Alderson Street, Weston, WI 54476, jlindell@dce.k12.wi.us, 715-359-4221, ext. 1327, or Gina Lehman, Director of Student Services, 6100 Alderson Street, Weston, WI 54476, gilehman@dce.k12.wi.us, 715-359-4221, ext. 1351.

POSITIVE BEHAVIORAL INTERVENTIONS AND SUPPORT

Our Middle School core values are Do What's Right, Care for Everyone and Embrace Excellence. All students will receive a general orientation to the expected core behaviors (Tier I level) at the beginning of each school year. A student's ability to demonstrate and apply these core values in all school settings is essential to their individual academic success and the overall learning atmosphere for all students.

Our approach to managing student behavior is reflective of PBIS (Positive Behavioral Interventions and Supports). PBIS emphasizes classroom management, preventative school discipline and effective academic instruction to ensure a positive and safe school climate to maximize success for all students. All students are expected to meet Tier 1 expectations. If they do not, that means they need additional support and will be given support in Tier 2 or 3 programs to help them try and be successful. Tiered supports are based on student and may include academic and/or behavioral interventions.

SCHOOL COUNSELING/STUDENT SERVICES - Students face far greater challenges than they did just a few years ago. That means educators are also facing far greater challenges than they did just a few short years ago as well. The goal of the counseling department is to help each student reach their maximum personal development. The counseling department can help guide students to become productive, happy, responsible adults. Counselors will be assigned a grade level and will rotate to the next grade level with that class.

The counseling department will gather and record data about individual students that can help teachers in the classroom. This data is kept in a cumulative folder and is available upon request in the counseling/guidance office.

The Student Services Department is an excellent source of information for student related issues. They have personal-social information (smoking, drugs, grooming, etc.) that can be useful for the total development of a student.

The department may also provide students with educational information that will:

- Give them tips on how to study and take tests.
- Give general information about the educational preparation needed for a particular career.

- Give general information on the physical development of adolescents.
- Give community resources to aid in the development of adolescents.
- Individual counseling: The counseling department will work with students on a one-to-one basis to help students explore and solve the many concerns they experience as they grow up. They do not provide therapeutic clinical counseling.

SCHOOL BUS RIDERS

BUS RULES AND REGULATIONS

Many students are transported by school bus daily to and from school, and on occasion to athletic events or field trips. The safety of our students being transported is our prime concern and we expect our transportation provider to choose qualified drivers, inspect and maintain buses in good mechanical condition and to comply with all legal requirements.

The Driver shall maintain order among passengers being transported and shall report misconduct. The driver may assign riders to specific seats at any point.

The Passengers shall comply with any lawful order given by the driver while carrying out his/her responsibilities.

The students themselves also have a responsibility to be orderly and well-mannered. Misbehavior on buses is a safety concern and cannot be tolerated. Bus riding is a privilege that can be revoked. By order of the principal, assistant principal and/or dean of students, suspension of riding privileges may occur at any time if the offense is deemed severe. Should a student be disruptive, disrespectful or endanger others on a bus, certain actions may include, but are not limited to:

- Conference with principal, assistant principal, dean of students or SRO
- Phone call home to parent(s)/guardian(s)
- Assigned transfer bus and/or assigned seat(s) on the bus
- Bus monitor as determined by the bus company
- Suspension of riding privileges ranging from a few days to permanent removal depending of the frequency and severity of the offense

We need your help too in addressing safety. Please discuss with your child the importance of appropriate behavior while a passenger on a bus.

BUS TRANSPORTATION DETAILS

To ensure even distribution of loads and delivery of students to the designated school, pupils will board only the bus to which they are assigned. Permission to leave a school bus at any point other than the point at which any pupil daily boards or leaves the bus can be granted only upon a written request of the parent or guardian to the Supervisor - Personnel.

Previous to Loading

- Be on time at the designated school bus stop - the bus cannot wait for those who are tardy.
- Wait for the bus as far to the right side of the road as practical. Conduct yourself in a safe manner while waiting.
- Do not accept rides from strangers.

- Wait until the bus comes to a complete stop before attempting to enter the bus. Line up in an orderly fashion in a single file. Do not rush or push to get on the bus.
- Do not move toward the bus at the school-loading zone until the buses have been brought to a complete stop.
- If there are no sidewalks it is recommended that you walk to the side of the road facing traffic to get to the bus stop.
- Use the grab rail and watch your step when getting on the bus.

While On the Bus

The driver is responsible for controlling the bus riders. While you are riding the bus you must obey the driver and driver assistants promptly and cooperatively. Students can be assigned a seat as the bus is loading and are expected to stay in that seat until they reach their destination. The only exception to this rule will be to enable pupils in the center aisle to fill in the front seats when they have been emptied.

- Normal classroom behavior is expected.
- Conversing with the bus driver while the vehicle is in motion is absolutely forbidden.
- Keep your hands, head, and all body parts inside the bus at all times after entering and until leaving the bus.

HEALTH ROOM AND HEALTH INFORMATION

WHEN TO KEEP YOUR STUDENT HOME FROM SCHOOL DUE TO ILLNESS

It is often hard to know when to keep a student home from school. The following guide will give you helpful hints to decide about sending your student to school.

Fever

A fever is a sign that your student may be sick and/or contagious.

If your student has a temperature of 100.5 degrees or more, they will be sent home.

Your student can return to school when he/she is fever free for 24 hours without the use of a fever reducing medication.

Call your doctor if the fever continues for more than a few days.

Vomiting

If your student vomits due to illness, and the vomiting is not due to a chronic health condition he/she will be sent home.

A student who is vomiting needs to stay home until he/she is symptom free for 24 hours.

Call your doctor if the vomiting continues more than 24 hours, and/or your child is not drinking fluids.

Your student should be able to eat and drink without vomiting before they return to school.

Diarrhea

If your student has diarrhea due to illness, and the diarrhea is not due to a chronic health condition, he/she will be sent home.

Notify your doctor if the diarrhea is frequent or accompanied by fever, rash, or general weakness lasting more than 24 hours.

A student with diarrhea needs to stay home until he/she is symptom free for 48 hours.

If the diarrhea is associated with illness, your student should not have diarrhea when they return to school.

Rashes

A rash may be the first sign of an illness.

A doctor should evaluate the skin rash before you send your student to school.

Your student will be sent home if they have a rash that is spreading, open and cannot be covered.

Your student may return to school after seeing a doctor. Send a note from the doctor stating that the rash is not contagious and that your student may be at school.

Coughs and Colds

Infections are spread when students cough and sneeze, forgetting to cover their nose and mouth.

Your student will be sent home if they have continuous nasal drainage, coughing spells or if symptoms interfere with their ability to learn.

Students may stay at school and/or return to school providing they do not have a fever, nasal drainage is minimal and coughing is less frequent.

Pink Eye

Allergies, viruses, and/or bacteria can cause pink eye. Pink eye can be highly contagious depending on the cause.

Symptoms are red watery eyes, swelling of the upper and/or lower eyelid, and/or yellow drainage.

Your student will be sent home if the pink eye is accompanied by fever, behavioral changes and/or inability to avoid touching the eye.

Treatment for eye infections vary. Call your doctor, optometrist, or ophthalmologist, to find out if any treatment is needed.

Strep Throat

If your student has been diagnosed with Strep Throat, he/she must remain home 24 hours after being fever free and 12 hours after antibiotics have begun or return with written doctor approval.

Lice

If designated staff discover head lice or untreated nits on a student at school, the school staff will notify the parent/guardian and recommend picking the student up and administer an FDA approved lice treatment (pediculicide/ovicide). If a student with live lice or untreated nits is not able to be picked-up they may remain in the classroom the remainder of the school day but must be treated with an FDA approved lice treatment prior to returning to school. Nits may persist, but successful treatment should kill live lice. If nits are found, after initial treatment with an FDA approved pediculicide/ovicide, child may stay in school. Nit removal should be done at home. Head lice can be found in every community at all times and are not an indicator of cleanliness or socioeconomic status. Lice are a nuisance but do not spread disease. Therefore, notification home and/or to the local health department is not necessary.

HEALTH ROOM

Students in need of any medical care should report to the health room with permission of a staff member. The health assistant, with input from the student, will determine if a parent/guardian will be contacted or should pick the student up from school, depending on the illness of the student. Students who feel they need to go home due to an illness must allow the health assistant to make initial contact with the parent/guardian. **A student should not make initial contact by personal phone to be picked up from school for medical reasons.** This practice ensures quality medical care and accurate attendance of all our students. If the initial contact is not made through the health office and the student is picked up, it will be documented as excused per parent/guardian and will count towards their 10 days of allowed absences.

MEDICATIONS AT SCHOOL

The purpose of the medication procedure is to keep your student safe and provide him/her with the medication ordered. District staff will not give any medication - prescription and/or Over the Counter (OTC) - to any student unless the following criteria is met:

School Medication Consent Forms are available in the main office, health room, or online. A new medication consent form must be completed each school year or when the dose of the medication is changed and/or discontinued.

Staff cannot give any medication sent in a plastic bag or envelope.

- Over The Counter (OTC) Medications

- Parent/Guardian signature is required for OTC medications.
- A physician's signature is required if the dose needed of the OTC medication is more than the recommendations listed on the label, or if the medication is not FDA approved.
- Prescription Medications
 - Parent/Guardian and physician signatures are required for all prescription medications.
- Medication Bottles and Labeling
 - Prescription Medications must be in the original labeled pharmacy bottle. The label must clearly state:
 - Student's full name
 - Name of medication
 - Time to give medication and dose needed
 - Physician's name
 - Date medication was dispensed
 - OTC Medications must be in the original container or single dose unit package. Write your student's name on the container.
- Handling and Storage of Medication at School
 - Medications are stored in the original labeled pharmacy container and in a locked cabinet.
 - During the school year, parent/guardian is called to pick up all unused, discontinued, or outdated medications.
 - At the end of the school year, parent/guardian must pick up all medication.
 - Any unclaimed medication will be disposed of at the end of the school year.
- Special Considerations
 - Emergency Medications - Students are allowed to self-carry emergency medications with physician's authorization. Emergency medications must be labeled as outlined above. Parent/guardian must complete the appropriate form even if your student self-carries the medication. All students who receive an emergency medication will be taken by ambulance to the nearest emergency room. Parent/Guardian will be notified.
 - Stock Medication - Students in grades 8-12 are able to take stock medication that the school provides. The medications that can be supplied are Ibuprofen and Tylenol. The OTC rules for dosing apply here as well. The Stock medication consent form is available in the main office, health room, or online. A new stock medication consent form must be completed each school year.
- General Safety Considerations
 - Bring your student's medication to the health office.
 - Send only limited quantities of medication to school.
 - No medication will be given to your student without your written consent.

HEARING AND VISION SCREENING PROGRAMS

Marathon County Public Health Department staff will be at each elementary school this fall to conduct a vision and hearing-screening program. Screening dates will be listed in the school newsletters.

If you do not want your child to participate in the screening, send a written signed note to the health assistant at school telling us you do not want your child screened.

If your child wears glasses, please make sure the glasses are at school for the vision screening.

Any student who does not pass the initial screening will be re-screened by the health department staff in 4 weeks. If your child does not pass the re-screening, you will receive a letter and a phone call from the health department.

If a child's condition warrants emergency treatment, the school will attempt to contact the parent/guardian and the child will be sent via ambulance to the emergency room at the closest hospital.

PLEASE CONTACT THE MIDDLE SCHOOL HEALTH OFFICE AT 715.241.9700 EXTENSION 2023 IF YOU HAVE FURTHER QUESTIONS OR CONCERNS.
