June 8 - June 26, M - F.

Questions? Contact Mr. DeWitt at wdewitt@unity.k12.wi.us, or by calling the Elementary School Office at 715-825-2101.

Elementary School - Students Finishing Grades PK - 4

- Weekly Lesson and Activity Packs filled with projects & experiences for home and outdoors
- Connection Time with a Grade Level Teacher Twice a week
- Online Office Hours to share completed projects with your teacher
- Fun activities to maintain progress in Reading and Mathematics
- Surprises delivered by bus
- Food Service Continues

At the Elementary, Students will be connected with a teacher at their grade level, who will facilitate continued progress in their academic skills, keep your child connected to school and their learning, and provide additional exciting and fun projects, experiences and activities weekly for your children to look forward to (along with surprises delivered by the bus to your children each week).

Middle School - Students Finishing Grades 5 - 8

- Weekly fun projects & experiences for home and outdoors
- Connection Time with Teachers
- Fun activities to maintain progress in Reading and Mathematics
- Add on Option 1: Students in grade 7 and 8 can participate in the HS Strength and Conditioning course.
- Add on Option 2: Vocal and Instrumental Music - participate in individual online practice sessions, coaching, and receive activities from our music programs.
- Food Service Continues

At the Middle School, Students will join a Summer Time Google Classroom. The teacher will provide weekly projects and experiences and help your student stay connected with school. Students may also select two additional 'Add On' summer experiences in music and fitness if desired.

High School - Students Finishing Grades 8 - 11

Three online options are available for our highschool students

- Option 1: Online Coursework to start **Driver's Education** - information coming soon
- Option 2: **Strength and Conditioning** - continue your development through online practice sessions, coaching, activities, workout and health focused logs, and connection opportunities with our physical education and sports programs.
- Option 3: **Vocal and Instrumental Music** - continue your development through online practice sessions, coaching, and receiving activities from our music programs.
- Food Service Continues
