INFORMATION

BACKGROUND INFORMATION

The LISD District of Innovation (DOI) plan includes an exception for Class Sizes and Student to Teacher Ratios under TEC §25.111, §25.112, and §25.113.

State law requires districts to maintain an average student to teacher ratio at most of 22 to 1 for average daily attendance in Kindergarten through Fourth Grade. Based on the exception granted in the LISD DOI plan, in the event that any class size exceeds this ratio during the school year, the superintendent will report this information to the Board of Trustees and to the parents of the affected students.

For the 2025-2026 school year, the following grade levels are currently exceeding the 22 to 1 ratio:

Capitol Elementary School

- 2nd Grade
 - One homeroom class is at 23 to 1
 - One homeroom class is at 24 to 1
- 3rd Grade
 - One homeroom class is at 24 to 1
 - Two homeroom class are at 25 to 1
 - One homeroom class is at 26 to 1
- 4th Grade
 - Two homeroom classes are at 25 to 1
 - Two homeroom classes are at 24 to 1

Students are served in various settings for Reading and Math throughout the day. Therefore, class sizes for Reading and Math are an average of 22 to 1.
