

# Action Sheet

**MEETING DATE:** August 21, 2019

**AGENDA ITEM:** Discuss and consider approval of pursuing IMA Funding to purchase Edgenuity on-line instruction for credit recovery and academic acceleration for Ball High School and AIM College and Career Prep.

GISD administration is requesting permission to continue use of Edgenuity, a standards-based curriculum and intervention program, for students in grades 6-12 who need the opportunity to recover credits or to accelerate. Virtual classroom and Virtual Tutor solutions engage students in the learning process through animation, simulations, video-based presentations, online content, vocabulary and exploration activities that support each lesson presented by a Highly Qualified Virtual Classroom Teacher. The cost is \$117,000 for a two- year contract (ending August 31,2021). The district will request approval of IMA (Instructional Materials Allotment) biennial funds from TEA.

**RECOMMENDATION:** I move that the Board of Trustees approve pursuing the purchase of Edgenuity on-line instruction at a cost not to exceed \$117,000 out of IMA funds.
