

Here are some of the ongoing projects for SISD, and a look at some of the other Maintenance related work.

1. Bus grant is out, and we are looking forward to 4 new busses ETA August give virus does not change time frame.
2. NKI teacher housing roof is done big thanks to Forest and Mike, will be working on replacing tub in W.P. and after the 1st finishing inside work at teacher housing in NKI.
3. Port Alexander Perkins 10kw generator is a bit slow in shipping but should be in PA by end of month.
4. Ramp at float house was damaged in winter weather and big thanks to Travis Tripple we have that back in safe working order and should be 100% by end of month and completed under budget.
5. With the coronavirus we are continuing to move forward with projects, completing maintenance, while being flexible in our roles to help with added task when and were needed. Want to thank all our Maintenance and Janitorial staff for the great work.
6. With less staff and no students in the schools, we will be looking for ways to cut down on all energy cost.
7. VEEP lighting grant we are receiving bids for the lights and hope to have them out for purchase shortly.
8. Working on finalizing RFP for design on Hollis school if able to complete by board meeting will include for review.

Thanks,

Branzon Anania
