

## Indicators of Success

Dr. Bartelt's Goals

### GOAL 1: Student Achievement

01

*Fall MAP Results*

Students meet or exceed, in aggregate, their growth goals at each grade level.

02

*Student Presentations*

Students demonstrate their learning by presenting to the Board of Education.

03

*Winter MAP Results*

Students meet or exceed, in aggregate, their growth goals at each grade level.

04

*In Person Attendance*

Students in the District will be in attendance in person throughout the year at a total rate of 85% or greater.

05

*Spring MAP Results*

Students meet or exceed, in aggregate, their growth goals at each grade level

## Indicators of Success

Dr. Bartelt's Goals

### GOAL 2: Communication and Collaboration

01

*District  
Leadership  
Council*

The District Leadership Council will examine communication needs, establish priorities, and help sustain recommended strategies.

02

*District  
Annual  
Report*

Publication of the annual report will provide District data to citizens throughout the community.

03

*Community  
Collaboration  
Group*

The Community Collaboration Group will provide feedback on issues/topics while learning how governance is provided to the community by the Board of Education.

04

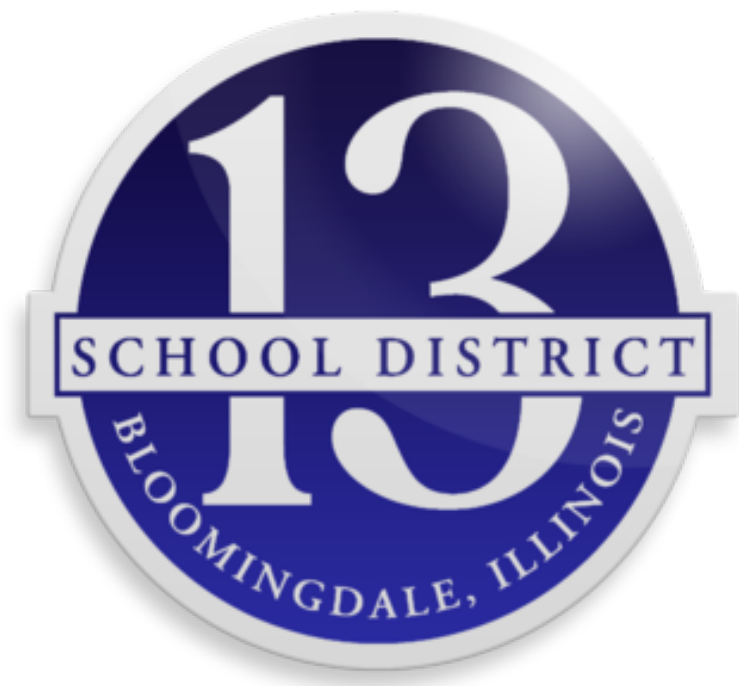

*District  
Website*

The District Website will be enhanced to be a more effective resource of information and data to the community.

05

*Community  
Messaging*

Regular messaging will be shared with the community regarding procedural changes during the pandemic, surveys to gather needed information, and to generate awareness on issues of concern.

## Indicators of Success

Dr. Bartelt's Goals

### GOAL 3: Balanced Resources

01

*Balanced Budget*

The Board will approve a balanced budget for FY 2022 in September of 2021.

02

*Staffing Plan*

An updated staffing plan will be shared with the Board of Education and the organization in February 2022.

03

*Community Collaboration Group*

The Community Collaboration Group will provide feedback on issues/topics while learning how governance is provided to the community by the Board of Education.

04

*Five Year Financial Forecast*

A five year financial forecast will be developed that can be used by the Board of Education for planning purposes.

05

*Facilities Study*

The Board will be presented with a comprehensive facilities study to help in the achievement of future strategic priorities.
