RE: Hillsboro ISD – Synthetic Running Track Replacement

Joe,

AstroTurf is excited for the opportunity to provide you with a proposal for the renovations to your running track in Hillsboro, TX. We, AstroTurf, are pleased to provide the below scope of work for the Spurtan BS system in accordance with our published product specification and described as follows:

Spurtan® BS **\$180,200.00**

Synthetic Track Surfacing

- Remove and legally dispose of the existing track surface.
- Repair the cracks in existing asphalt, no more than 50 lineal feet.
- Install a 13 mm permeable polyurethane bound track with structural spray on the running track oval and field events. Finished surface to be black.
- Provide new striping of lane lines, markings and lane numbers around the track and field events.
- Provide five (5) year limited manufacturer's warranty.
- Non-prevailing wages included in proposal amount; private/union wages are excluded.
- Clean-up as necessary

Notes: There is no contingency included in proposal amount for asphalt/concrete repairs other than clearly listed above. AstroTurf makes no claims on the stability/condition of the existing asphalt surface. Asphalt inspection will occur with the owner after synthetic surface has been removed. Above pricing does not include asphalt modifications.

Exclusions

- Any item of work not specifically listed above.
- Any building permits or site inspection fees.
- Soils stabilization.
- Import / export of any additional structural fill material.
- Utility impact fees.
- Timing devices, equipment or infrastructure of any kind.
- Communication boxes.
- Sports lighting.
- Relocation, supply or installation of time clocks/scoreboards.
- Relocation of electrical conduits, removal & reinstallation of wiring inside the field area to time clocks, scoreboards, power outlets.
