Beeville ISD 2005-2006 Calendar Development and Selection

Calendar Development:

The District's 2005-2006 Calendar committee consisted of eleven district employees—one representative from each of the either campuses, one representative from special education, one from athletics and one from the central office.

Nancy Jones as the representative for central office and the chairperson.

The committee met on December 15, January 5 and January 13.

During the meetings the committee developed several calendars. The decisions related to the development of the two calendar choices were based on discussion among the committee members, information from formal and informal surveys of staff members, and information gathered through discussion on the campuses. The final decision was to offer 3 calendars and have closed voting sessions.

Calendar Selection:

From February 2 through February 9, each district employee was given the opportunity to vote on one of the final 3 calendars. Principals and administrators were to hold the votes in closed sessions or by having a sign in sheet for people to vote by personal appearance. This was to ensure that each person could only vote one time. Votes were tallied by the principals or administrators and were sent to Nancy Jones.

After February 1, an article was placed in the local newspaper inviting anyone who wants input in the section of the 2005-2006 school calendar to come to the central office to vote or to vote at Education Celebration on March 1.

If calendars A or C are selected, the District will submit a waiver to the Texas Education Agency to start school prior to August 21, 2005.

The three calendars are attached.
