Homedale Board of Trustees,

Winter sports are here. Girls basketball starts today, November 3rd. In their preseason meeting they had 24 girls in attendance. Not sure yet if we will have two or three teams. Boys basketball will start on Monday, November 17th. Wrestling is also scheduled to start on Monday, November 17th.

## **Volleyball Update-**

Volleyball's season ended at the district tourney in Weiser. The girls varsity finished the season with a 9-12 overall record and a 5-7 SRV record. The girls were very competitive this year in a very difficult conference. Fruitland ended up being the state champions and Cole Valley finished 3rd at state. Coach Nash is doing a great job promoting youth volleyball in the community. All of her hard work will start to pay off, I am confident in that.

The JV team qualified for the JV district tournament this year. They got beat in the semifinals vs. Cole Valley, who ended up winning the JV district championship.

## **Football Update-**

Varsity football finished second in the SRV this season. They are the number three overall seed in the 4A ranks. They had a first round bye. We will host Weiser in the state quarter finals this Friday, November 7th at 7:00pm.

The JV football team won another district championship finishing the season undefeated. Congrats to Coach White, staff and players.

### **Cross Country Update-**

Homedale finished up the regular season with their district meet on Tuesday, October 21st. Nobody qualified for the state meet but there was

### **Girls Soccer-**

The girls soccer team finished third in the SRV District tournament this year. They did not qualify for state. Our conference only received one guarantee spot to state and that was our district champion, Fruitland. McCall got second and lost in the state play in game.

### **Swimming-**

We had three swimmers this year representing Homedale in the Co-op with Middleton, Ridgevue, Vallivue and Parma. Those swimmers were Brody Johnson, Sophie North and Liam Leach. None of them qualified for state.
