- During the past few weeks at PES, we have had Spring Pictures, celebrated Valentine’s Day, and had the FFA give a lesson to the 4th graders.
- The 5 Essential Survey has opened for the district. This survey gives the school good feedback and data from parents, students, and staff. We have until March 13th to complete the survey, but have already met our parent and student goals!
- We are gearing up for a strong literacy push during the upcoming half days in the 2nd semester. I am grateful for the admin team and the district literacy team developing a shared vision for the district’s ongoing literacy improvement!

PANA ELEMENTARY

PES will empower independent thinkers and confident problem solvers through building relationships and engaging students in learning.
