How it is going

The culture of the Christoval Athletic Department is continuing to change towards GREATNESS. Our Cross Country teams and Football teams had great success this season. The girl's team placed third at District and had a great showing in one of the toughest 1A regions in the state. Tyler Doering qualified for the State meet for the second straight year finishing 22nd and improving 17 seconds on his time from last year's meet. Our Football team qualified for the playoffs for the first time since 2007. The programs overall season record was 16-4. Two year program record is 35-11. We will continue to motivate, inspire, and develop our athletes to become greater than they ever imagined. It's a great day to be a COUGAR!!!!
