### **MISSION**

To provide outstanding customer service to our school districts in four areas: special education, technology, school improvement, and administrative services.

## **VISION**

IMESD strives to ensure the success of every child by providing equitable services to close the opportunity gap. We are committed to the values of antiracism and multiculturalism.

### **State & Federal Contracts**

Other programs are funded through state and federal grants at NO cost to our component districts:

Early Intervention/Early Childhood Special Education

### **Regional Programs**

- \* Autism
- \* Blind/Visually Impaired
- \* Deaf & Hard of Hearing
- \* Equipment Center

## **Entrepreneurial**

The IMESD also has entrepreneurial programs that provide larger scale technology, printing and communication services to school districts, government agencies and non-profits throughout the state. This is a way of subsidizing services for school districts and relieving reliance upon the General Fund.

### **School Districts**

Sometimes, our districts require more services than what are included in the General Fund. The district then enters into a contract with IMESD to pay for additional services. These may include fiscal services, technology support, special education administration, EI/ECSE Child Find, Human Resources, Occupational Therapy, Physical Therapy, bond campaigns, etc.
