TMS will have benchmarks this week for 6-8 Math, 6-8 ELAR, and 8th Science and Social Studies. We are working hard to show growth this year. Students have been participating in tutoring since we returned from Christmas break. We wrapped up basketball and are moving on to track season.

Pancake Day was a huge success. We had so many people volunteer to help out. With 4 griddles running, it made a huge difference. We did fall behind a couple of times and people had to wait a short time but not like in the past. We stopped serving pancakes around 11:15 because we ran out of batter and had already been to United to purchase 4 more large boxes before this time. TMS Student Council made \$5,773.95 to help support students on our campus! Sterling Gilliam is our Valentine's Queen and Ryder O'Neal is our Valentine's King for 2025.
