Experience which may be of value in meeting the responsibilities of a Budget Committee Member:

I taught for 32 years, 28 of which were at Evergreen Elementary and Lorna Byrne Middle Schools.

I served for six years on the board of the Illinois Valley Community Development Organization, three years as chair.

Do you have children currently attending Three Rivers Schools? Yes No

If yes, school(s) IVHS (sophomore)

What interests or concerns do you have regarding the Three Rivers School District?

Our district is financially challenged and our students too often have socio-economic conditions that impede their education. Yet all our young people

need and deserve quality, well-rounded, experientially-rich educations. I dedicated the bulk of my life's career pursuing that goal. Our local educational community is best suited to craft creative solutions that are appropriate to local conditions and needs.

Brief statement indicating why you are interested in being a Budget Committee Member:

I understand that currently there is not an Illinois Valley representative on this committee. I am well aware of the challenges and promise of the I.V. As a retired teacher, I feel my experience will help me prioritize resources based on their impact on the classrooms. I am known and trusted by many people in the community, who often engage me in conversations about current educational issues.
