Madrigals Performance at Great Lakes National Cemetery

On November 11, Veteran’s Day, the DHS Madrigals performed at Great Lakes National Cemetery in Holly. The ceremony is held each year to honor those who have served our country. We appreciate Mrs. Delay’s efforts in organizing this experience, and the students for their preparation and wonderful performance.

Community Involvement with Adulging 101

Mrs. Bowman and her Adulging 101 students have been making an impact throughout the community. The students are visiting the depot twice a week to help prepare for the holiday season, and they have also been visiting our elementary schools to work with the younger students.

Shiawasse Community Foundation Grant

We just got our cabinet and games delivered last week and are ready to open the game station during lunch. This was thanks to another generous donation from the Memorial Healthcare Foundation. We also plan to allow teachers and interventionists to utilize the games for class and student rewards.

Lunch Update

■

Thanksgiving lunch was a HIT! Students enjoyed turkey, mashed potatoes, stuffing, and pumpkin pie. They were very happy, and very grateful, for the meal!
