Rebate Program

TexBuy is committed to helping our members during a time when budgets are shrinking and costs are increasing. Please read below to find out how TexBuy can help you can stretch your valuable resources.

Rebate dollars will be calculated based on varying spend levels.

<u>TexBuy Member Spends</u>	<u>Rebate %</u>
\$100,000 to \$1,000,000	.6%
\$1,000,000 to \$5,000,000	.8%
\$5,000,000 and up	1%

Examples of REAL rebate dollars:

<u>TexBuy Member Spends</u>	<u>Rebate</u>
\$1,000,000	\$6,000
\$3,000,000	\$24,000
\$7,000,000	\$70,000

Fine Print:

- Utilizing TexBuy Contracts, entities must reach \$100,000 in cumulative (all TexBuy vendors combined) purchases annually to qualify for a rebate.
- Annual purchases are accrued from January 1st to December 31st (Calendar year).

Extra Small Fine Print:

- Because TexBuy Members order directly from the vendors, TexBuy relies solely on sales reports received from the vendors. Entities are encouraged to track their spending when utilizing TexBuy contracts. As always, ALL Purchase Orders must reference "Per TexBuy Contract # xxx" (found on the TexBuy website). All payments are based on administrative fees actually received by TexBuy. Therefore, TexBuy will not give rebates to entities for fees a vendor has not paid to TexBuy.
